Manwhore +1 Katy Evans, 2015-07-07 Malcolm Saint was an assignment A story A beautiful difficult man she was supposed to uncover for a racy expose She intended to reveal him his secrets his lifestyle not let him reveal her But her head was overtaken by her heart and suddenly nothing could stop her from falling She fell for him and fell hard Malcolm Saint is absolute sin and she s become a hopeless sinner Now that the assignment is over Saint wants something from her something unexpected **Running on Empty** Fil Anderson, 2009-06-10 Learn to live with God instead of for God In this candid and

achingly authentic book Fil Anderson shares the healing insights that restored his spiritual compass and guided him back to God the God who specializes in filling empty souls Fil Anderson had accomplished more for God than most of his contemporaries but his worn out body housed an empty soul His frenetic pace of ministry had earned him just one thing greater pressure to do even more He had fallen for the soul killing lie that doing more for God would give his life meaning Then the godly admonition of a spiritual director set this burned out believer on a life saving spiritual path Sometimes the only way to get a new life is by running your old one completely into the ground This powerful story of a reawakened soul can be the story of every person who has pursued spiritual productivity over intimacy with God and come up empty It s the story of reclaiming your soul and finding a home in the center of God s relentless love It s the journey from self importance to God importance To the harried and the unharried I pray that this book will minister to your heart in the profound way that it has blessed mine Brennan Manning **The Backpacking Housewife (The Backpacking Housewife, Book 1)** Janice

our goals and ambitions be altered What will we live for What will be driving us Is the Olympics then of any value protecting us from complacency boredom Or does it prevent us from moving to a higher consciousness level and to progress further These are all questions that we dare not ask ourselves today But the time might come Through these short fictional stories you will be challenging your mind for an answer Is there a purpose for the Olympics today and in the future Maybe But is there also an answer to the purpose of life in the near future when we hope current conflicts social differences will somewhat disappear and when new technologies will truly help us live better lives
