

ARE YOU AN ANYBODY ?

This is a story about four people named Everybody, Somebody, Anybody and Nobody. There was an important job to be done and Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry about that, because it was Everybody's job. Everybody thought Anybody could do it, but Nobody realized that Everybody wouldn't do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have.

Free All Along Stephen Drury Smith,Catherine Ellis,2019-01-15 This is an expression not of people who are suddenly freed of something but people who have been free all along Ralph Ellison speaking with Robert Penn Warren A stunning collection of previously unpublished interviews with key figures of the black freedom struggle by the Pulitzer Prize winning author In 1964 in the height of the civil rights movement of the 1960s Pulitzer Prize winning author and poet Robert Penn Warren set out with a tape recorder to interview leaders of the black freedom struggle He spoke at length with luminaries such as James Baldwin Martin Luther King Jr Stokely Carmichael Ralph Ellison and Roy Wilkins eliciting reflections and frank assessments of race in America and the possibilities for meaningful change In Harlem a fifteen minute appointment with Malcolm X unwound into several hours of vivid conversation A year later Penn Warren would publish Who Speaks for the Negro a probing narrative account of these conversations that blended his own reflections with brief excerpts and quotations from his interviews Astonishingly the full extent of the interviews remained in the background and were never published The audiotapes stayed largely unknown until recent years Free All Along brings to life the vital historic voices of America s civil rights generation including writers political activists religious leaders and intellectuals A major contribution to our understanding of the struggle for justice and equality these remarkable long form interviews are presented here as original documents that have pressing relevance today
