What I Dont Hate About Living Here Life In Nw Montana:

What I Don't Hate about Living Here: Life in NW Montana Lucy Waymire,2013-08-04 This is the flip side of my first book Why I Hate It Here Life in NW Montana Several readers have asked me if there are things I like about it here or at least things that aren't so bad There are but my first book was exactly what I titled it It was the things that drive me up the wall about living here It was a way to release stress and frustration in what I thought was a somewhat humorous way During these beautiful days of August I finally felt ready to tackle the subject of what is good around here both in general and in my life as it pertains to living in a log cabin on 20 acres way out on a mountain in NW Montana I'm no one special and there's no particular reason you should read this book but the first one has sold well and most people seemed to enjoy it If you haven't read the other book you might want to buy it too especially if you're considering a move to Montana It's a lovely place but it can be a hard place to live **Life Association News**,1917 [Come Fly with Me](#) Gina Welborn,Becca

Whitham,2017-05-30 A Montana Brides Romance New beginnings await in Helena the Montana Territory's most exciting city where faithful hearts stay strong and true as they pursue their passionate dreams Dedicated schoolteacher Luanne Palmer is forbidden to engage in public courtship So she hides her feelings for Roy Bennet the free spirited journalist who has her in awe of his hot air ballooning adventures In any case with his roving lifestyle and career ambitions Roy hardly seems suited to the home life Luanne desires She will simply have to resist his charms until he leaves town on his next assignment But when Roy hears that Luanne's students are enthralled in the craft of ballooning he can't pass up the opportunity to impress Luanne in her classroom Soon Luanne must decide how much to risk on a love that challenges everything she thought she wanted and only a heart pounding race among the clouds will determine which direction their future takes *Pest* Elizabeth
