Eternal Words J. J. Dewey,2006 **Treasury of Texas Trivia II** Bill Cannon,1999-10-18 Continuing the amusing interesting factual and sometimes ridiculous bits of information in A Treasury of Texas Trivia this second volume brings you all new entertaining tidbits some of them useful historical facts and some just for fun Among these are Some of the bizarre ways Texas towns and regions have gained lasting recognition Supporting actors in the cast of leading characters in the development of Texas Skeletons in the closet of our great state and some less than brag worthy incidents from the past Incredible but true stories found only in Texas Minor reflections of history trivia not taught in school This is truly a book the whole family can read and enjoy **Walking the Mona Lisa** Jim Simpson,2014-04-11 Walking the Mona Lisa is a true story although you may not believe some parts I was there and sometimes I don t believe it It s an attempt to chronicle the life of a devoted compassionate and gifted golden retriever and the affect she had on those around her specifically me Two family tragedies had left me bitter and alone and I was convinced I would remain that way for the rest of my life Then Ilsa came along and all that changed Ilsa was purebred golden who came from essentially dog royalty Her grandfather was Topbrass Cotton who was a National Amateur Field Trial Champion the equivalent of a Master s or Wimbledon winner She grew to

become a world class retriever in her own right and had I trained her differently I m sure she could have won numerous field trials At first I didn t recognize Ilsa s full potential That didn t happen until I met my wife who has a wonderful understanding of dogs With her help Ilsa grew to become a serenely confident appreciative and giving being Ilsa rapidly grew into a reliable hard working enthusiastic and willing hunting companion She was doing things at 6 and 8 months old which other dogs wouldn t be able to do until they were 2 or 3 years old Multiple retrieves were no problem since she trusted me implicitly if I told her there was something to retrieve she believed me and gave it her best By the time she was 5 she was better than most hunting dogs would ever be she rarely flushed birds out of range she didn t fidget in the blind so as to scare away decoying birds and she never gave up With Marcy s tutelage I quickly realized we needed to reward Ilsa in special ways since she was such a special being I had been taking her everywhere with me before I met Marcy including to work and on an extended road trip but Marcy convinced me she deserved more We started to give her special food treats such as homemade dog biscuits of various flavors dried fruit and frozen yogurt In addition she was a co host at all our parties and our friends came to expect Ilsa to greet them at the door Ilsa had had a profound effect on me I had changed from a grumpy lonely man to someone who once again reveled in the beauties of nature and the simpler things in life Because of Ilsa I was able to welcome Marcy into my life and Ilsa s and we became The Three Sweeties And we continued to show Ilsa our appreciation by including her in everything we did including our wedding She also got to travel with us whenever possible so that when she died she had swum in both oceans stayed in 4 star hotels traveled by private train car limousine and horse drawn carriage and had parties thrown in her honor In so many ways Ilsa was much more than just a dog She was an integral part of our lives and she had a say in most everything we did Her legacy lives on in our hearts and minds I will always cherish every moment I had with her
