What Is Christianity? Herman Bavinck, 2022-01-01 In this book Dutch theologian Herman Bavinck 1854-1921 provides a historical sketch on the nature of Christianity and the unifying power of Christ He proceeds from unity to diversity on what the Christian church agrees and the areas where it differs It is apologetic and evangelistic ecumenical and Reformed and historical and theological in scope In this succinct book Bavinck traces the history of Christian doctrine and life distinguishing the East from the West and then focusing on the West through

the Reformation to the twentieth century Both at the beginning and the end of the book he places before the reader what he deemed the most important religious and theological question of the day Who is Jesus It is no small task which Dr Bavinck has undertaken to tell in sixty two small pages all that Christianity is and that in a series in which it is brought into comparison with other great religions He has fulfilled this task however in a most admirable manner His method is first to point out what all Christians are agreed upon and then to give an historical account of Christianity in its origins and its progressive manifestations in the great forms of the Orthodox Eastern the Romish the Lutheran Reformed Churches with further descriptions of the forms it has taken since in Anabaptism and Socinianism and the New Protestantism rooted in the Enlightenment His plan thus resolves itself into an informal sketch of the historical development of Christianity This sketch is written with remarkable grasp of details and an equally remarkable power of synthesis We cannot imagine how the work could be done better B B Warfield *What is Christianity?* Adolf von Harnack,1902 **What Is Christianity?** Rowan Williams,2017-08-17 Esteemed former leader of the Anglican Communion distills the essence of the Christian faith With clarity and insight the former Archbishop of Canterbury takes the reader to the heart of what Christianity means for those who practice it and the hope it offers to the world at large A book for all who wonder what the Christian faith is all about and what difference it really makes *What Is Christianity?* Pope Benedict XVI,2023-08-01 After Pope Emeritus Benedict XVI resigned from the papacy in 2013 he never stopped thinking or writing Near the end of his life he and editor Elio Guerriero gathered together a whole volume of new material dealing with the themes closest to his heart The pope asked that it be published upon his death This final work is *What Is Christianity* It takes up a kaleidoscopic array of themes the Christian faith's relationship with other religions especially Judaism and Islam the theology and reform of the liturgy the priesthood the saints the Eucharist the tragedy of abuse the beauty of nature Italian and German culture and much more With prophetic insight into our times Benedict warns of a radical manipulation of man in the name of tolerance insisting that the only authentic counterweight to every form of intolerance is Christ himself and Christ crucified A lifelong Catholic the late pope pays tribute to some of the giant figures of Christianity who have served him through the years as guiding stars his predecessor Pope John Paul II the twentieth century German Jesuit martyr Alfred Delp and the silent carpenter Joseph his patron saint *What Is Christianity* is a frank spiritual testament from a theological master a churchman who loved the faith of simple Christians but who always stood ready even in his last days to dialogue about every aspect of human life in love and in truth **What is Christianity?** George Cross,1918 What is Christianity? and have the persons calling themselves Christians any right to interfere with free expression of opinions by other parties F. Christianity: A Brief History Michael D. Robinson,2019-06-14 Christianity is one of the world s great religions with more than two thousand years of history and over two billion adherents worldwide But what is Christianity Where did it come from How did it develop to its current forms What doctrines do Christians affirm What ethical norms do they endorse What relationships between church and state do they champion and why What changes have transpired for the faith over the centuries And what new challenges does Christianity face in the contemporary world These and other questions are addressed in Michael Robinson s Christianity A Brief History After a concise description of the social political and religious world of first century Palestine the text quickly examines the Jesus of history and tradition including Jesus impact upon his first century followers the narrative then moves to describe the expansions and developments of Christianity through the ancient medieval modern and contemporary eras Along the way readers learn of the varied beliefs mores rituals struggles and triumphs of the faith as well as of the spiritual heights and moral blunders of its people Robinson s intention is to introduce Christianity through its story and through those who lived it **What is Christianity?** Thomas Vowler SHORT (successively Bishop of Sodor and Man and of St. Asaph.),1843 What Is Christianity? John W. Alexander,1969-03-01 John W Alexander presents an argument for the truth of Christianity What Is Christianity? George Nti,2018-12-19 We live in times of this crucial moment in history bombarding us with vigorous religious diversifications wealth creation strategies ideological and scientific advancements and cultural codes that are draining our faith daily and can shutter our believes quickly We are confronted with strategic deceptions temptation and mass distortion of the truth about the Gospel salvation creation prosperity and the meaning of life Given the frequent and consistent confrontational and diversify nature of many Christian apologists we have to pause and ask ourselves hard questions whether in our quest for truth about the Gospel we have been hijacked by crusaders against false doctoring and ideas This book is compulsory reading which challenges the entire humanity to find correct answers to the great questions of the ages that are troubling the hearts of billions regarding Christianity the true purpose of life and how the world works This rare book in our time written by a young vibrant servant of God through the strictest guidance of the Holy Spirit to set the real tone for a new Godly revolution that we can trust forever in this generation and beyond When Jesus Christ comes to live within us we have a hope like no other In a time when Christianity was under such a hot fire from variety of opponents and people of power and influence SIMON PETER wrote But set aside the messiah as Lord in your Hearts and always be ready to give a defense to anyone who asks you for a reason for the hope that is in you However do this with gentleness and respect keeping your conscience clear so that when you are accused those who denounce your Christian life will be put to shame For it is better to suffer for doing good if that should be God s will than for doing evil 1PETER 3 15 17 I give you a glimpse Jesus died to make atonement of our sins Two major terms

that elaborate the meaning of atonement are EXPIATION and PROPITIATION Expiation is the process by which sins are covered Propitiation involves satisfying an offended party which is God Our generation is committing intellectual adultery We cannot choose what we want to obey and neglect other texts We are making God out of own selves Every Christian has an anointing rod in your hand and if you focus on being the best at what you do purchasing all that you desire being on top of all things and even doing what pleases you most is not a door way to satisfaction so think smart and learn quickly for such things are not a guarantee The wisest man made a conclusive comment in Ecl 12 13 Fear God and keep His commandments What Solomon wanted to teach us is that the only thing that actually matter in this short world transit that has eternal implications is our relationship with God our creator A great nerve has been hit for all truth seekers for the next frontier in Christendom and all humanity Hurry gets your copy now for these thought provoking words to make a lifetime decision
