What Every Church Member Should Know About Poverty:

What Every Church Member Should Know about Poverty Bill Ehlig, Ruby K. Payne, 2005-08-01 **Ending Poverty** Nancy Maeker, Peter Rogness, Ending Poverty invites people from varied faith backgrounds to commit themselves to the study of poverty issues and to just action on behalf of those who experience poverty and prejudice due to class. Stories from four different settings help define poverty, recognize communities of poverty, explore the hidden culture of class, and take a deeper systems view that shows how we are all one community. A practical guide for congregational study groups, this book is a call to action on behalf of the poor.

What Every Church Member Should Know about Clergy Robert G. Kemper, 1985 Radical Charity Christopher Marlin-Warfield, 2019-06-05 Right now there is a movement in churches and nonprofits arguing that charity is toxic, that helping hurts, and that the entire nonprofit sector needs to be reformed to truly lift people out of poverty. These charity skeptics are telling Christians that traditional charity deepens dependency, fosters a sense of entitlement, and erodes the work ethic of people who receive it. Charity skepticism is increasingly popular, and it is almost certainly wrong. Radical Charity weaves together research and scholarship on topics as diverse as biblical scholarship, Christian history, economics, and behavioral psychology to tell a different story. In this story, charity is the heart of Christianity, and one of the most effective ways that we can help people who are living in poverty. Charity giving to people experiencing poverty without any expectation of return or reformation can save the world and help make God's vision for the church a reality.

Memories, Hopes, and Conversations Mark Lau Branson, 2016-06-09 Memories, Hopes, and Conversations is a powerful resource that introduces readers to Appreciative Inquiry, a transformational organizational change process that focuses on the strengths of a group. The book offers a dynamic overview of the Appreciative Inquiry process, real stories of change in action, and a wealth of practical resources for churches to pursue this journey of appreciation, imagination, and change. The second edition includes dynamic stories of Appreciative Inquiry in practice from Christopher Gobrecht, New Covenant United Methodist Church, Maryland; Jim S. Amstutz, Akron Mennonite Church, Pennsylvania; Jean Burch, Community Bible Church, California; Andrew Menzies, Camberwell Baptist Church, Australia; Michael R. Wilson, Chestnut Level Presbyterian Church, Pennsylvania.

Pedagogies for Student-Centered Learning Cari Crumly, 2014-11-01 What comes to mind when you hear student-centered learning? Do you immediately see a classroom without a teacher? Do you see students teaching other students? How do you know which pedagogies to use when designing the best learning environment? The question of determining what pedagogies to use within the classroom, on ground or virtual, can often plague teachers given today's student. This book will help you to identify the difference between teacher-centered and student-centered learning and the various pedagogies commonly associated with each. This book will draw upon the
