The Secret Battle of Ideas about God Jeff Myers,2017-08-01 Do You Know What You Believe and How to Defend Your Faith The world is full of ideas that don't reflect Jesus In fact according to a recent Barna study only 3 percent of American evangelicals have an authentic biblical worldview As president of Summit Ministries and an authority on Christian worldview and apologetics Dr Jeff Myers will teach you how to understand what you believe why you believe it and how to defend it against these five fatal worldviews Secularism Marxism Islam New Spirituality Postmodernism

Consider What the Angels Say George DeVangelos,2016-08-31 Our world now and throughout history has had conflicting accounts of the nature of God and man's relationship to this cosmic deity These conflicts have wrecked havoc within the societies of humanity to dangerous levels Mankind has relied upon his sacred and canonized scriptures to provide doctrinal absolutes for his religions but these absolutes differ and therefore cannot possibly all be correct at least in specific contexts However there exist a very mysterious book circulating worldwide that does have specific detailed and consistent answers to all of our questions The origin of this book is steeped in mystery and no human author has claimed ownership to its teachings which cover 2097 pages of intensive reading and exhaustive information This book is known as the Urantia Book and has been placed in the public domain The Urantia Book takes us from the conceptual locations within our segregated religious heritage and correctively re-calibrates our various belief systems which have been unavoidably limited and distorted by our world views throughout human history After its conceptual enhancements and adjustments the Urantia Book enlarges such informational details into an elevation of more exact universal levels of perception as an advancement of cosmic truth Consider What the Angels Say takes this expansive and intricately complicated book and presents a timesaving presentation of its teachings and gently correlates it with Christian doctrines and other religions as well as human philosophy and knowledge In this book the following questions will be answered What exactly is God and how does this phenomenon relate to infinite reality the time and space cosmos other spiritual beings and our world Exactly what is the Godhead Trinity and why is it a necessary foundation for the existence of universal reality What are angels and spiritual principalities What are their levels and types and how do they interface and interact between supernatural and human situations How does the historical Jesus Christ fit into the spiritual dimensions of reality How is he related to the one eternal God and how is Jesus an integral part of our soul salvation How was man physically created and what accounts for the variances in human biological races and how does this correlate with the theory of evolution What is the nature of the human soul and how is it translated into the eternal spiritual realities and how does it exist beyond death and what is its destiny How did mankind come to develop and organize his cultures and what part did supernatural spiritual

beings play in the formulations of man's religious doctrines Why has there been so much tragedy hardship war disease and social discord throughout our history What is the nature of sin and why does evil even exist Something is not right what went wrong In all of the versions of religious theologies and doctrines worldwide no one book explains the details of these universal mysteries as completely and systematically as the Urantia Book it is truly a gift from the angels Consider What the Angels Say is a concentrated effort forged from the heartfelt love and concern for humanity to introduce this majestic angelic book to all who are able to receive and benefit from its supernatural information *The Christ Chronicles* Richard Moody Jr.,2011-11-16 **Catholic God, True God** Parker Manning,2022-10-19 Have you ever wondered why Catholics believe in God or who this God is In his new book Catholic God True God Parker Manning explains just that He goes through evidence for the existence of God but doesn't stop there He also argues that this God is the God of the Bible by giving evidence to the most famous Old Testament stories and New Testament ones He also goes through supposed errors in the Bible and explains how they are not truly errors Lastly and most importantly he details why Catholics are the only ones who fully understand God Also be sure to check out his first book Fundamentals of Catholic Theology in Just Over 100 Pages Parker Manning takes a fresh look at the big topics in Catholic apologetics He avoids the well traveled areas in previous works and focuses on the questions that lurk behind the questions things typically missed by others Gary Michuta author of The Case for the Deuterocanon and Why Catholic Bibles are Bigger

The Road to Hell Series Bundle (Books 1-4) Brenda K. Davies,2024-09-04 The first four books in the Road to Hell Series Book 1 Good Intentions River Thirteen years have passed since the war started bombs fell and the central states became a thing of the past When the war ended the government erected a wall to divide the surviving states from the destroyed ones I never expected to leave my town but unlike those who volunteered to go to the wall I wasn't given a choice Kobal I've spent my entire life with one mission reclaim my throne from Lucifer and fix what the angels tore apart when they cast him from Heaven I've never been closer to my throne yet I find myself risking everything because I can't stay away from her the woman who might be the key to destroying Lucifer Book 2 Carved River As the perilous journey across a country I believed destroyed begins I no longer know who I am or what I'm becoming With every passing day my abilities grow stronger as does my fear of what comes next Kobal With an unknown number of enemies between us and the gateway protecting River proves to be more difficult than I anticipated but I won't stop until I destroy Lucifer and reclaim River's heart Book 3 The Road River Standing at the entrance to Hell two things are evident I have no idea what I'm doing and the gateway is not closing Kobal I expected River to be at my side if we entered Hell but now she's gone in without me It's only a matter of time before Lucifer learns of her arrival in my world and sends his army after her Book 4 Into Hell River When I find myself face to face with Lucifer I realize what he wants from me could annihilate Hell and Earth Kobal As the battle for Hell rages the line between enemies and allies blurs I will do whatever it takes to protect River and destroy Lucifer but with everything around us unraveling many will be lost Due to sexual content
