York Rooftop Unit Manuals:

Floor Plan Manual Oliver Heckmann, Friederike Schneider, 2012-12-13 This housing construction design manual documents and analyzes some 130 international residential structures from the last fifty years From the standardized floor plans of the 1960s to the more individual concepts of the 1980s and the changed requirements and housing types of recent years example structures by famous and lesser known architects from throughout the world showcase the tremendous variety of possible designs The categorization of projects from a town planning perspective is supplemented by the detailed typological description of the relevant housing types Every project is presented with its typical floor plans to a scale of 1 200 sections site plans and photographs illuminate each building s structure and situation In addition to incorporating some forty new projects this new edition now contains figure ground diagrams that highlight the most salient features of the floor plans making them even easier to compare **Refrigeration Service and Contracting** ,1968 **Floor Plan Manual Housing**

Oliver Heckmann, Friederike Schneider, 2017-10-10 Revised edition of the reference work The Floor Plan Manual Housing has for decades been a seminal work in the field of architecture In its 5th revised and expanded edition approximately 160 international housing projects built after 1945 are documented and analyzed The focus is on exemplary and transferrable projects and on innovative and trendsetting concepts The systematic representation of all projects allows the reader to compare and evaluate various floor plans and to be inspired by the wealth of ideas and strategies for one s own design work The introductory theoretical and historical essays have been newly written or updated and offer a structured overview of the residential housing typology and its development Fifth revised edition with new projects and contributions With upgraded visual appearance and a new key color Access to the content is facilitated by various index functions
