Catch a Wave Peter Ames Carlin, 2007-06-26 Brian Wilson was the visionary behind America's most successful and influential rock band. As the leader of the Beach Boys he sold 100 million records and built a catalog of songs that continues to define the sound and feel of American popular music. He also became one of the culture's most mysterious and tragic figures but after spending years lost in a wilderness of despair Wilson has fought his way back to productivity. Now journalist Carlin who conducted in-depth interviews with dozens of sources and listened to hundreds of hours of unreleased studio recordings and live music tells a uniquely American story of the band, the music and the culture the Beach Boys both sang about and helped create.
