No musical knowledge is necessary to use this method. All the music is written in the keys of C Major and A minor so no sharpening levers or pedals are needed. The guitar chords are displayed above the staff so the students can add to the written music or other instruments can accompany the harp. The music is graduated from two fingers to playing with both hands. The music is labeled to allow the students to gradually learn the notes and fingering without stress or frustration. The method contains lessons on the parts of the harp tuning stringing and taking care of your instrument. Also included in the method are reading music time signatures and counting placing and bracketing finger drills and much more. There are also eighteen songs starting from very easy and continuing to add to the music as the student progresses. All songs have labeled notes to help the students learn notes and fingering. Online video compliments the book and follows up the written instructions with video footage so the student can visually see the method. Includes access to online video. **Pre-Nicene: 1 Samuel** Amiée Tristano, 2024-01-18 The Book of Samuel in the Bible was originally one scroll about a boy named Samuel. God raised him up as a prophet priest and judge. He was committed to doing what was right in God's eyes. This book uses all of the books of Samuel Kings and Chronicles as one Word to ask questions and sift through scripture to look for great treasure. If I seek wisdom as silver and search for her as for hidden treasures then I will discern the fear of Jehovah and discover the knowledge of God.
