Can Understand the Bible by Its Unifying Themes Nelson Blaisdell Baker,1973 **You Can Understand® the Book of Genesis** Skip Heitzig,2018-06-05 In the Beginning A Good Place to Start Genesis is chock full of some of the Bible s most exciting stories From Adam and Eve in the Garden of Eden to Joseph s reunion with his family Do you ever wonder if God really did create the world in seven days What s the deal with Cain and Abel anyway And just how big was that boat Noah built Start at the beginning with Pastor Skip Heitzig and the accounts on which the rest of Scripture is built the creation of the world the fall of mankind and God s establishment of the history of the nation of Israel Follow along and learn not just the origins of man but also the origins of God s plan for redemption Understanding the book of Genesis is crucial to understanding the rest of the Bible And it all starts in the beginning **You Can Understand the Book of Revelation** Jeff Scoggins,2013 Some Christians say Revelation is a closed book and not meant for human understanding Actually the word revelation means unveiling and the first chapter of Revelation promises a blessing to all who read and take it to heart Other readers study Revelation over and over but end up confused about all the beasts scrolls trumpets and angels The truth is that Revelation is the story of Jesus Christ from beginning to end and we need to understand the plot of that story before sorting out the details A few preachers even use the newspaper to interpret Revelation equating each symbol with a specific event in yesterday s news Actually Revelation is best interpreted using the Bible itself You can learn to understand prophecy for yourself all you need is a safe method of Bible study and the guidance of the Holy Spirit Once you grasp the basic method we ll use those tools to walk through the central portion of Revelation which deals with earth s final crisis just before the second coming of Jesus You may have to re think everything you thought you knew about interpreting prophecy but you ll know that you stand on the firm footing of God s word Open your Bible and join us for the journey *How to Understand Your Bible* T.
