You Come Too By Robert Frost

Robert Frost

You Come Too By Robert Frost:

You Come Too Robert Frost, 2002-04 A collection of poems chosen by Frost to be read and enjoyed by children and their elders including Acquainted with the Night A Patch of Old Snow Not of School Age and Mending Wall **You Come Too** Robert Frost, 1959 A collection of Frost's poems to be read to and by young people *You Come Too* Robert Frost, 1959-01 Favorite Poems for young Readers **You Come Too** Robert Frost, 1964 **You Come Too, Favorite Poems for Young People by Robert Frost, with Wood Engravings by Thomas W. Nason** Henry Holt and Company, Robert Frost, Thomas Willoughby Nason, 1959 **You Come Too** Lesley Lee Francis, 2015-12-03 Robert Frost observed in his wife Elinor a desire to live a life that goes rather poetically The same could be said of many members of the Frost family over several generations In *You Come Too* Frost's granddaughter Lesley Lee Francis combines priceless personal memories and rigorous research to create a portrait of Frost and the women including herself whose lives he touched Francis provides a vivid picture of Frost the family man revealing him to be intensely engaged rather than the aloof artist that is commonly portrayed She shares with us the devastation Frost and Elinor experienced when faced with tragic illnesses both physical and mental and the untimely death of family members Elinor's own death added to the poet's despair and unleashed complex feelings throughout the family Francis's mother would lament the toll taken on Elinor by what she perceived as Frost's selfishness in the life he had chosen This is also the story of Lesley Frost Francis's remarkable mother who struggled to emerge from her celebrated father's shadow while as one of the people closest to him sharing his intuitive impulse to write and to indulge their mutual love of books and poetry Francis would herself become yet another writer and like her grandfather and mother before her a teacher despite sharing Frost's sense of being imperfectly academic In addition Francis explores Frost's professional relationships with women outside the family such as the poets Harriet Monroe Amy Lowell and Susan Hayes Ward Francis's invaluable insights into Frost's poetry and her inclusion of previously unpublished family writings and photographs make this book essential to Frost scholarship But *You Come Too* will appeal to anyone interested in this great poet's life and work It also reveals unforgettable stories of strong independent women and their passion to create and share poetry **You Come Too** Robert Frost, 1967 **Poem Central** Shirley McPhillips, 2023-10-10 In everything we have to understand poetry can help Tony Hoagland Harper's April 2013 In *Poem Central* Word Journeys with Readers and Writers Shirley McPhillips helps us better understand the central role poetry can play in our personal lives and in the life of our classrooms She introduces us to professional poets teachers and students people of different ages and walks of life who are actively engaged in reading and making poems Their stories and their work show us the power of poems to illuminate the ordinary to nurture inspire and stand alongside us for the journey *Poem Central* is divided into three main parts weaving poetry into our lives and our classrooms reading poems and writing poems McPhillips has structured the book in short sections that are easy to read and dip into Each section has a specific focus provides background knowledge shows poets at work highlights information on

crafting defines poetic terms features finished work includes classroom examples and lists additional resources In Poem Central a place where people and poems meet teachers and students will discover how to find their way into a poem have conversations around poems and learn fresh and exciting ways to make poems Readers will enjoy the dozens of poems throughout the book that serve to instruct to inspire and to send us on unique word journeys of the mind and heart **The Poem I Turn To** Jason Shinder,Lili Taylor,Michael O'Keefe,2008 This anthology of classic and modern poetry features works selected and read by celebrated American movie actors and directors **The Art of Robert Frost** Tim Kendall,2012-05-29 Offers detailed accounts of sixty five poems that span Frost s writing career and assesses the particular nature of the poet s style discussing how it changes over time and relates to the works of contemporary poets and movements
