

A serene sunset scene over a vast ocean. The sky is a warm, golden-orange color, transitioning into a darker blue as it meets the horizon. The ocean's surface is textured with gentle ripples and small waves. In the foreground, dark, silhouetted waves are breaking against a rocky shore, creating white foam. The overall mood is peaceful and contemplative.

You Must Be Dreaming:

You Must Be Dreaming Barbara Noël, 1993-11 Compelling Fascinating YOU MUST BE DREAMING provides a harrowing vision of the dark side of the helping professions THE BOSTON GLOBE When singer composer Barbara Noel regained consciousness earlier than usual during one of her therapy sessions she discovered her esteemed doctor was raping her This is the story of her uphill fight for justice From its shocking beginning to its haunting conclusion YOU MUST BE DREAMING is the extraordinary journey of a gifted young woman who fell victim to the depraved perverted lusts of a powerful and sinister man and dared to expose him

You Must be Dreaming Barbara Noël, Kathryn Watterson, 1992 When Barbara Noel first went to Dr Jules Masserman he predicted she'd be cured of her performance anxiety within two years But after six months he injected her with a barbiturate to help her overcome her resistance to the truth of what was bothering her He gave her that drug for the next eighteen years until the harrowing day she awakened from a drugged sleep to find herself being raped by the man she trusted most This spellbinding chilling story tells how a bright articulate woman spent years under the sway of the cunning psychiatrist who used her for his sexual purposes Step by riveting step in a series of revelations about the secret lives of both doctor and patient Barbara Noel relives her battle to understand herself and to bring Dr Jules Masserman to justice for his sexual and ethical betrayals It wasn't an easy battle Jules Masserman was considered Psychiatry's Ambassador to the World As past president of the American Psychiatric Association and the American Academy of Psychoanalysis as well as chairman of psychiatry at Northwestern University Medical School he seemed invincible But Barbara Noel wasn't alone Jules Masserman had other accusers Many of them Nevertheless Dr Masserman still categorically denies any wrongdoing and has never been charged with a criminal offense or lost a civil suit although his insurance company has settled out of court with several of his accusers An exclusive interview with him is included in the Afterword of this book From its shocking beginning to its haunting conclusion *You Must Be Dreaming* is a suspenseful journey into the psyche of a young woman who fell victim to the hidden twisted heart of a brilliant and charming man It is also an important and critical expose of one of medicine's darkest secrets the rogue doctor who holds raw power over patients he considers little more than human guinea pigs BOOK JACKET Title Summary field provided by Blackwell
