Youch Real Life Monsters Up Close:

Dangerous Insects & Spiders Chris McNab, Johnathan Sutherland, 2006-12-30 Examine features of the plague flea emperor scorpion and bird eating spider and learn how they thrive in their environment *Gotcha for Guys!* Kathleen A. Baxter, Marcia Agness Kochel, 2006-11-30 Research indicates boys are interested in reading nonfiction materials yet most children's librarians prefer to booktalk fiction Offering citations for more than 1 100 books *Gotcha for Guys* deals specifically with books to pique the interest of middle grade boys A series of booktalks are grouped within chapters with like titles such as *Creepy Crawly Creatures* *Disasters and Unsolved Mysteries* *Action and Innovation* and *All Things Gross* Complete booktalks are presented in a beginning section of chapters 1-9 A second section in each of these chapters contains short annotations and talks for other books of interest and a third section offers lists of well reviewed titles to consider for boys The book is enhanced with book cover art and reproducible lists for teachers and librarians **The Incredible Real Life Monster Man** L. B. La Vigne, Mikey can't get enough of his silly precocious monster boyfriend who he takes home from the carnival and you won't either Monsters are real and everyone knows it When Mikey an employee at the US Department of Fish and Wildlife is assigned to rescue an abused creature at Samuel's Carnival Extravaganza he feels drawn to the sympathetic thing But rescuing and nursing the creature back to health has some unforeseen consequences Not only can Renin talk but he has the same urges and needs as a human urges and needs now set on his savior Mikey Ones which Mikey can't say he doesn't reciprocate As a creature used to high levels of socialization keeping him in isolation with little stimulation could be doing him more harm than good For the second time Mikey must break Renin out of captivity bringing him home for safe keeping While ending up in Mikey's home is one of the best things to happen to Renin multiple forces threaten to tear them apart Mikey's boyfriend for one isn't accepting of the creature making itself comfortable in Mikey's bed The government is desperate to get their creature back and will stop at nothing to have him And then there's what's hidden in the woods watching waiting ready to strike at Renin at the first opportunity With everything seemingly against them Mikey may not be able to hold on to his creature for very long **A to Zoo** Rebecca L.
