Fear Not!: Angels Are Waiting To Serve! Reverend Mike Wanner, 2020-04-15 America is in a pandemic quarantine and fear is rampant everywhere Waiting to serve are the Angels from On High but people are accustomed to surrendering to fear and they do it automatically This book sets out to stifle FEAR and all the trouble it causes Angels are waiting to serve but they respect the free will that we have been given by our creator Angels will help uplift us once we invite them and tell them our requests The book shares the author's struggles and

how I got the help that I needed When many people hear something upsetting they drop down into a fear based reaction that does not serve them well or help them function There is a lot that humans do that they know is not healthy for them but they do it anyhow If that is true for you then you may want to revisit those aspects of your lifestyle and restructure your activities with a fresh perspective After a career in Emergency Medical Services and a calling to ministry I have seen a lot of people make changes amaze their doctors and families and friends and create new repurposed futures for themselves It seems there is a plague in America right now of doubt fear personal insignificance judgment powerlessness depression addictions incompetence and despair Most if not all of us have used some crutches or excuses in our lives I know I have been guilty but that only matters if you become stuck in the stuff Each morning brings new opportunities to recreate your life and become a shining star example of rebirth and Phoenix Symbology Please consider the daily chance to optimize your experience and future Ask for any help you need Inviting Angel Sarah for help with Empowerment makes sense **Angels and Soul**

Retrieval Reverend Mike Wanner, 2018-02-25 If you know instinctively that Soul Retrieval is right for you then I encourage you to learn more Consider what you learn and see where it takes you For many there may be hesitation to visit a shaman as it may seem to be in conflict with the spiritual practices and beliefs that resonate with your upbringing and your innate instincts It may be that your research alone can provide enough insight to help you look further into your spiritual alignment Spiritual direction within your belief community may be a tremendous asset in helping you to remain peaceful as you educate yourself about practices that can enhance your healing If your church does not offer enough help in this search you may ask your spiritual director to provide options within your denomination of who might be able to help with your situation I have worked with the Angels for a long time and here is the story of the Angel Raphael Speaks Series Everything below and much more can be found at the website www.AngelRaphaelSpeaks.com In Early May 2013 I was contacted by a friend student and teacher and was told that she wanted to channel for me In total confidence with the caller I said of course and the date and time were set Mar 4 2013 the session was It proceeded beautifully and was very enlightening As the messages developed there was a separate special invitation from Angel Raphael who was inviting me to connect on a regular basis weekly After the session I invited Angel Raphael to communicate and the series of messages started Follow the progression of events and see the kind of developments that are possible The thrust of my life for the prior twenty years had been about teaching and practicing healing energy work and my mission has been to reach the people Angel Raphael is the Angel of Healing and the Invitation aligned very precisely with the work that I have been doing for years The message sets that come through are a great challenge for me to get right There are follow up discussions on the word selection and phrasing Some things are easily adjusted for the comfort level of all and sometimes Angel Raphael and his team insist on word structures that are unusual I do not feel responsible for the grammar as my focus is on meaning and one could easily lose meaning while trying to be grammatically correct Each reader is invited to the discussion table so they can share their views with Angel Raphael directly

in a prayerful or meditative state Angel Raphael seems to be responsive already to people who are in need of Angelic uplift
Inviting the support of the Angels is a wise thing to do when your life may seem unbearable You very well could be surprised
by the answers that you get directly or indirectly from such an invitation Please note the unusual structure of the program is
aligned with the way the work developed The arrangement between Angel Raphael and me has the messages coming through
in the order as received in channeling **A Biographical History of Early Settlers and Their Descendants in Waterloo
Township** Ezra E. Eby, Joseph Buchanan Snyder, Eldon D. Weber, 1971 **Angel Raphael Speaks Volume Three** Reverend
Mike Wanner, 2015-06-25 The thrust of my life for the prior twenty years had been about teaching and practicing healing
energy work and my mission has been to reach the people Angel Raphael is the Angel of Healing and the Invitation aligned
very precisely with the work that I have been doing for years The message sets that come through are a great challenge for
me to get right There are follow up discussions on the word selection and phrasing Some things are easily adjusted for the
comfort level of all and sometimes Angel Raphael and his team insist on word structures that are unusual *Angel Raphael
Speaks Volume One* Rev Wanner, 2013-10-18 Angel Raphael Speaks is a series of channeled messages that are being brought
through Reverend Mike Wanner The messages started in May 2013 Reverend Mike has been called to write because there
are messages of hope that are needed by the people of the world and you have the gift that can help them understand
because you are a vocabulary filter that allows a good interpretation of the word energy flowing to you **Gospel Herald**
, 1908 **Truth Seeker** , 1895
