Deines,2000-06-30 It is Time to Hold God Accountable is a controversial scrutiny of biblical stories which determines how God never existed and the tremendous resulting repercussions on humanity Then why the title The main source document offered as proof of Gods existence is the Bible Without knowledge of its contents how can we realistically determine Gods existence or lack thereof After reviewing various Bible stories the accountability leveled against God for his biblically described actions is so powerful the question of Gods existence becomes valid Why consider Gods accountability at this time Entering the new millennium approximately one third of Earths population professes to be Christians After two millennia of indoctrination by Christianity is our earthly home a safer place to live If this is not the time when will it be Also how will humanity deal with global problems with God to guide us We will review the Bible writers lack of knowledge archaeology missing artifacts biblical chronology and Jesus Christ and the historical Josephus We will also examine how the discovery of alien intelligent life will become additional proof of Gods non existence and the resultant collapse of Christianity We will be taken on a journey from Adam to aliens with numerous biblical and scientific stops along the way **God Didn't Do It; He Only Signed Off On It** Christiana I. Chineme,2010-03 As humans things happen to us sometimes that we cannot fully understand We desire to explain them when from human perspective there s no explanation that really exists Our perplexion at things of that nature are not just about when they happen to us but also the things we witness in the world around us They oftentimes shake the foundations of our faith in God to the core But as much as not knowing hurts at no time should our reaction be to accuse God for things we don t understand Rather we should know that God is not always the architect of all our problems and that He might not always save us from people that live to harm us or bless us the way we want because we take a stand with Him His promise however is one thing and that is that He ll work it all out for HIS OWN ENDS even the wicked for a day of disaster Proverbs 16 4b However your pain occurred God s declared intentions are that He ll use all of your problems any which way they present to work out His will for your life The deaths of some of the people that went before us is proof that for reasons best known to Him God at times chooses not to deliver people that take a stand with Him And it s not because He hated such people but because of what He already planned to use the situation for
