Estimates of Revenue and Expenditure Zambia, 2015 **SADC Gender Protocol 2014 Barometer** Morna, Colleen Lowe, Dube, Sifiso, 2014-10-25 In August 2008, Heads of State of the Southern African Development Community adopted the ground-breaking SADC Protocol on Gender and Development. This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance. By the 2013 Heads of State summit, 13 countries had signed and 12 countries had ratified the SADC Gender Protocol. The Protocol is now in force. With one year to go, time is ticking to 2015 when governments need to have achieved 28 targets for the attainment of gender equality. In keeping with the Alliance slogan 'Yes we must', this 2014 Barometer provides a wealth of updated data against which progress will be measured by all those who cherish democracy in the region. The world and SADC is also looking to the future with the post-2015 agenda. Now is the time to strengthen, resolve, reconsider, reposition, and re-strategise for 2030. **The World Factbook 2014-15** United States. Author Cayce Myers examines the institutional pressures, including financial, legal, and ethical considerations that have shaped public relations and have led to the parameters in which the practice is executed today, exploring the role that underrepresented groups and sectors both in the U.S. and internationally played in its formation.
