The Correspondence of Henrik Ibsen (Classic Reprint) Henrik Ibsen, 2017-05-23 Excerpt from The Correspondence of Henrik Ibsen ON the 31st of May 1880 Henrik Ibsen wrote to his publisher Frederik Hegel that he had begun a little book in which he intended to give some account of the outward and inward conditions under which each one of his works had come into being letter It was to be called From Simian to Rome and was to give descriptions of his life at Skien and Grimstad Bergen and Christiania Dresden Munich and Rome About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Classical Numismatic Group XXIV** ,

The First Print Era Daniel Fried, 2023-12-05 The First Print Era examines the rise of print culture during China s Northern Song Dynasty 960 1127 Bringing together often overlooked primary sources from the period and scholarship on many individual topics in Song print history the book offers the first extended narrative in English of how print became entrenched as a sustained mode of textual dissemination in China While discussing technical innovations and the growth of the print industry the book focuses on how the rise of print affected several indispensable elements of Song intellectual culture the expansion of the exam system the canonization of Tang and earlier models the rise of antiquarianism and connoisseurship the birth of Neo Confucianism as a new intellectual force the growth of a new literati culture and new forms of literary production and critique and the development of calligraphy as an art form that could be taught critiqued and divided into schools Overall the book describes a process by which print publication moved from a highly centralized state enterprise back to expanded elite use and eventually towards the popular print markets that would create new forms of expression during the Southern Song and Yuan dynasties This book will be an essential read for students and scholars of Asian studies Medieval studies and those with a focus on print history and Chinese studies *The Classical Weekly* , 1920

Rediscovering the Islamic Classics Ahmed El Shamsy, 2022-11-29 The story of how Arab editors of the late nineteenth and early twentieth centuries revolutionized Islamic literature Islamic book culture dates back to late antiquity when Muslim scholars began to write down their doctrines on parchment papyrus and paper and then to compose increasingly elaborate analyses of and commentaries on these ideas Movable type was adopted in the Middle East only in the early nineteenth century and it wasn't until the second half of the century that the first works of classical Islamic religious scholarship were printed there But from that moment on Ahmed El Shamsy reveals the technology of print transformed Islamic scholarship and Arabic literature In the first wide ranging account of the effects of print and the publishing industry on Islamic

scholarship El Shamsy tells the fascinating story of how a small group of editors and intellectuals brought forgotten works of Islamic literature into print and defined what became the classical canon of Islamic thought Through the lens of the literary culture of nineteenth and twentieth century Arab cities especially Cairo a hot spot of the nascent publishing business he explores the contributions of these individuals who included some of the most important thinkers of the time Through their efforts to find and publish classical literature El Shamsy shows many nearly lost works were recovered disseminated and harnessed for agendas of linguistic ethical and religious reform Bringing to light the agents and events of the Islamic print revolution Rediscovering the Islamic Classics is an absorbing examination of the central role printing and its advocates played in the intellectual history of the modern Arab world
