Through The Storms By Faith I Have Overcome:

Faith - Through the Storm Jez Smith,2012-03-30 I have suffered on so many fronts losing my health to losing my family and all the pain that that caused me I spent a whole year and more seemingly holding on through the worst storm I have ever been in Physically there is still a long way to go and a long road is still before me but I know that God is not finished with healing me Physically my recovery has been very slow and frustrating and I am sure that my frustration has shown itself in the pages of this book however I can clearly say that I would not be where I am today without my faith in God One Sunday members of my church prayed for me because I had just had results that showed that there was no nerve activity in my legs below my knees and that according to the doctors showed that I did have nerve damage in my legs however a week after their prayers for me God gave me the strength to walk into church on my crutches I had been able for some weeks to walk short distances around my home on my crutches with splints controlling the position of my feet so that I did not drag my toes on the floor Although my lower legs were not healed of their weakness God gave me the strength to walk further than I had ever walked before and for me that told me that without prayer we can not overcome or expect to see positive results Prayer is always the answer as is Jesus I still find today that I have to be very careful with how much I do on any given day as busy days do result in me being very fatigued My energy levels do dip quite badly living with disabilities does mean doing things differently and adapting and I have found that every day has its own set of challenges where it comes to my physical weaknesses However I have found that when I lean on God he always gives me enough strength for each day Storms Are Faith's Workout R. C. Jette,2018-10-04 Are you struggling with the storms of this life Do you feel overwhelmed with the constant onslaught This book is your help to withstand the ambushes of an enemy that wants you to give up your faith At seventy one years of age my life has endured the onslaught of many storms trials of my faith and through them I have gained insight as to how to overcome This book uses scriptural and personal examples I use a sound biblical foundation to build the chapters Only the word of God can teach the truth that is needed in this trying and overwhelming time that we live in The faith of many Christians is being attacked and they do not know how to rise above This book is compiled as a result of enduring the attacks that have been directed at me by a cunning and crafty enemy It is through the storms assailed against me that I have learned how to surmount the ambushes It is my prayer that my years of endurance will teach others how to do likewise It will take an effort on their part to read the book to the end but they should come away with an understanding of God's love with the knowledge of how to overcome the storms and how to be standing when the storm has ceased

C. Jette, 2019-05-10 God's soldiers are under attack by Satan through sickness and disease Many sit like Job with the mentality that God has forsaken them Due to a lack of knowledge of what is included in the Atonement some believe that their sickness and disease is the will of God Why is there

so little difficulty believing that we have freedom from sin's power in the Atonement and so much controversy believing that it includes freedom from the power of sickness and disease God has impressed my heart that his soldiers are settling for less than what he has promised in his word Many are deficient in a knowledge of Scripture Others have been taught wrong doctrine and are ignorant of God's promises which belong to his children This book is meant to give the understanding that it is God's will for us to recognize what the devil is doing and overcome his lies by faith The Holy Spirit has been trying to set the captive free from sickness and disease but wrong doctrine misunderstanding of Scripture and medical science have God's soldiers tormented by Satan's lies This book addresses the devil's lies and is meant to once and for all set the captive free
