Hearts one of a multitude of murderous villains populating the pages of children's literature explored in this volume. Given the long standing belief that children ought to be shielded from disturbing life events it is surprising to see how many stories for kids involve killing. *Bloody Murder* is the first full length critical study of this pervasive theme of murder in children's literature. Through rereadings of well known works such as *Alice's Adventures in Wonderland*, the *Nancy Drew Mystery Stories* and *The Outsiders*, Michelle Ann Abate explores how acts of homicide connect these works with an array of previously unforeseen literary, social, political and cultural issues. Topics range from changes in the American criminal justice system, the rise of forensic science and shifting attitudes about crime and punishment to changing cultural conceptions about the nature of evil and the different ways that murder has been popularly presented and socially interpreted. *Bloody Murder* adds to the body of inquiry into America's ongoing fascination with violent crime. Abate argues that when narratives for children are considered along with other representations of homicide in the United States, they not only provide a more accurate portrait of the range, depth and variety of crime literature, they also alter existing ideas about the meaning of violence, the emotional appeal of fear and the cultural construction of death and dying.

Encyclopaedia Londinensis, Or, Universal Dictionary of Arts, Sciences, and Literature, 1810 **Blood Sisters** Marilyn Yalom, 1993-08-03. The promises of liberty, equality and fraternity did not extend to women, but with the publication of *Blood Sisters*, the voices of the women who witnessed the French Revolution are finally restored to history. They left us an invaluable legacy: some eighty accounts of what they saw and experienced. These chronicles range from the sixteen page testimonial of the Widow Bault, wife of the concierge in Marie Antoinette's prison, to the ten volume memoirs of the prolific writer Mme de Genlis, from the dictated life story of an illiterate peasant to acknowledged classics by Mme Roland and Mme de Staël. No other literature in the Western world offers such an early treasury of women recording their personal histories within the context of a great political cataclysm. Their stories describe how they participated individually and collectively in the revolutionary saga and how they sometimes succeeded in manipulating a political system designed to exclude them. Whatever their political loyalties, the women saw themselves as victims, and their accounts document the connection between gender and victimization. Yet they did not accept their victimization passively. The memoirists of *Blood Sisters* portray themselves as active participants, cheering the Revolution on its course or more frequently resisting it. Marilyn Yalom singles out those who authored the most unforgettable chronicles: the governess of the royal children, the servant attending Marie Antoinette in her last days, Robespierre's sister Charlotte, the peasant woman from the Vendée who fought as a soldier, and of course Mme Roland, whose autobiography has enchanted readers for centuries. Aristocrats and bourgeois women, royalists and republicans, even the few peasant and working class women who left accounts of their experiences, all were bound together by a common nightmare. These compelling human dramas, moving accounts of survival on the cusp of catastrophe,

add suffering faces to the canvas of lofty thinkers and fiery orators who dominate the historiography of the Revolution They tell us what it was like to suffer a miscarriage as the result of a street demonstration to choose between nursing a baby and following a husband to war to resist jailers demands for sexual favors A tragic note prevails the sense of having survived when so many others perished often produced what we might now call survivor s guilt Their testimonies Yalom argues spring from an inner urgency to bear witness for those who were sacrificed on the revolutionary altar Their writings eloquently attest to the human costs of radical social change BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Asia and the Americas** ,1922 **Asia** ,1921 *The Ladies' National Magazine* ,1848
