

THE YUKON RIVER AND ITS TRIBUTARIES

(Reduced from a Map drawn by Mr. Stewart Menzies at Fort Selkirk in October 1895)

Dawson City is situated on the River Yukon, just below the name Klondike. Skagway Bay is at the head of the Lynn Canal, and the White Pass starts from that point

With a map and 33 illustrations [including a portrait].** Harry De Windt,1898 **Through the Gold-fields of Alaska to Bering Straits** ,1898 **Gamblers and Dreamers** Charlene Porsild,2011-11-01 The popular image of the Klondike is of a rush of white male adventurers who overcame great physical and geographical obstacles in their quest for gold Young white single American men carried forward the ideals and structures of the western frontier It was a

man's world made respectable only after the turn of the century with the arrival of white middle class women who miraculously swept out the corners of dirt and vice and civilized the society. These impressions endure despite recent attempts to correct them. Gamblers and Dreamers tackles some of the myths about the history of the North in the era of the gold rush. Though many inhabitants came and went, Charlene Porsild focuses on the concept of community commitment to show that many put down roots. This in-depth study of Dawson City at the turn of the century reveals that the city had a cosmopolitan character, a stratified society, and a definite permanence. It examines the lives of First Nations peoples, miners, and other labourers, professionals, merchants, dance hall performers, and sex trade workers, providing fascinating detail about those who left homes and jobs to strike it rich in the last great gold rush of the nineteenth century. In the process, Gamblers and Dreamers puts a human face on this compelling period of history.
