The Layman's Christology of the Pentateuch Pastor David L. Carpenter, Jr., 2014-04-10 The book was written in light of the many challenges I faced as a student in seminary I found it quite difficult to find books on simple Christology Not only were the numbers of available Christological books few but when I did find books they represented very little Christology and referenced much theology and unnecessary reading What I needed was a resource with reference to help me out and not a scholarly work that embedded denominational values I needed a book that condensed many different Christological viewpoints into an easy to read resource that was practical applicable and with cross reference information That is why I penned this book The book is an assimilation of my Christological studies with secondary resources Therefore the book is short rich in information and short in explanation intentionally done as a reference resource The book is intended to stimulate the undergraduate and graduate student The book has been very useful for some of my friends regarding Bible study and Sunday morning sermons The resource is well displayed in the table of contents and easy to understand The book gives examples of Christological studies throughout the Pentateuch The book is by no means an exhaustive resource but one that lifts the fingerprints of Christ's presence in the OT while still allowing for the reader to make their own Christological discoveries

Crouse, 2013-05-16 *The Cross and Reaganomics* Conservative Christians Defending Ronald Reagan by Eric R Crouse offers important insights on why Reaganomics was a major reason conservative Christians supported Reagan at the polls On election night in November 1980 Americans witnessed the victory of a conservative to the presidency With the United States experiencing economic stagnation and high inflation many were hopeful of Ronald Reagan s deeds matching his optimistic rhetoric of America s potential What followed was a decade of economic transformation military buildup and a political awakening of conservatism One story that has not received much attention is the relationship between conservative Christians and Ronald Reagan s economic policies Crouse argues that conservative Christians were among the strongest champions of limited government free enterprise particularly small business and anticommunism A surprising number of conservative Christian leaders discussed the works of major free market economists Conservative Christians embraced and tapped into the traditional American values of individual opportunity personal responsibility and human freedom all themes they believed were front and center in Reaganomics Although American pluralism prevented any plan to Christianize the nation by politics in the sphere of economics conservative Christians did witness political and cultural gains

Semanatorul (The Sower), Volume One, Number Two Hamilton Moore, Ilie Soritau, Adrian Giorgiov, 2019-02-19 About the Theology Journal This is the second issue of Volume 1 of *Semanatorul The Sower* The Emanuel Journal of Ministry and Biblical Research It contains the proceedings of the Bi Annual International Theological Conference This was held in Emanuel University Oradea in November 2016 The title of the Conference was Aspects of Missiological and Theological Thought Challenges in the Twenty First Century The papers presented include some given in person by various colleagues of the Emanuel Faculty others were given via Skype or by invitation We are grateful for the commitment of members of the Emanuel faculty the collaboration of Emanuel University Press the Emanuel Ethics and Society Research Centre We are also grateful for the contribution of distinguished colleagues from the Irish Baptist College and the Southern Baptist Theological Seminary This second issue includes a range of papers on Aspects of Mission and Theological thought The Journal opens with a paper on modern definitions of mission and a focus on Paul as a missionary apostle It discusses his motivation strategy and the mission churches he founded in Ephesus and Crete The paper on the Eucharist in Romanian perspective reminds us that the celebration of the Lord s Supper is memorial in character It brings blessing through comprehending the risen Christ by

faith It also provides an opportunity for a visible act of proclamation of the Lord s death Theology Journal Papers Other papers in the theology journal focus upon Andrew Fuller Secretary of the Baptist Missionary Society in 1792 His theological perspective made such an impact on missionary thinking in the nineteenth century The life and work of Rodger Williams is examined until his work on Rhode Island One paper considers Alexander Carson s use of the theme of the atonement as an apologetic tool The essence of Carson s argument is that the uniqueness of the Gospel with its focus on the atonement could never have been worked out by the human mind demonstrates the truth of God s existence There are further papers on Melchizedek with a particular emphasis of his relation to the pre-existent Christ Plus a study of the doxologies of 1 Timothy setting out Paul s various reasons for including them in his letter They would challenge the heretical teachings in Ephesus and particularly provide the believers with a true understanding of the only true God Moreover they would deeply influence their lives and lead them to witness and truly worship him A further paper on the centrifugal and centripetal aspects of mission presents us with a challenge for reaching this generation I hope the Proceedings Papers on Mission and Theology will challenge all who read them Of course it should be understood that the views presented remain those of the contributors

The choice is easy I would rather be an overcomer I have read the verses about the possibility of living life daily aided by heavenly wisdom Listen to James 1 5 If any of you lack wisdom let him ask of God that gives to all men liberally and upbraids not and it shall be given him I have often asked the church On any given day how often do we need the wisdom to make decisions and find needed direction To answer that question with one hundred would be conservative To add to wisdom we are told that we can tap into the heavenly supplies of strength energy power and patience According to James 1 5 God s not going to fuss at you if you keep coming back again and again asking for more The key to these and all the promises of the Bible are found in the discipline of a daily quiet time When I was in college with God s help I developed this discipline to attribute any spiritual success any success in my Christian life to the help I have found in this daily time with God and my Bible To remove any excuses I have written devotionals for my church We have started in chapter 1 verse 1 of a book in the Bible and have worked our way through it We have covered Genesis Exodus Philippians and Leviticus to mention a few and as long as God gives me strength we will continue The pages in this book contain our thoughts and our understanding of our journey through Exodus I Played Jonah and the Prodigal Son Stanley B. Perry,2012-10 The struggle began with a stubborn obstinate strong willed child a powerful journey through life erupting soul searching A probe that began at the death of his father when he was at the tender age of seven Propelled by the emergence of an enormous ego drive to be in control drove him into pursuing whatever he desired His life parallels the direction in which our world is now traveling pursuing whatsoever is desired without taking into account that the day of accountability is quickly approaching *The Power of the Prophetic Blessing* John Hagee,2012-08-30 The Power of the Prophetic Blessing offers a seldom heard message of encouragement and blessing for today and for generations to come *Thru the Bible Vol. 10: History of Israel (Joshua/Judges)* J. freedoms and 6 how churches in America can operate totally under God and free from any control by civil government After graduating from college in 1970 and serving as an army officer in the Viet Nam conflict Jerald Finney worked for the railroad and then started and operated a photography studio in Fort Worth Texas He was saved in 1982 God called him to enter the legal profession He entered the University of Texas School of Law in 1990 and was licensed to practice law in 1993 Since that time the Lord has guided his career In 2005 he became lead counsel for the Biblical Law Center This book is the result of his in depth studies of the issue of separation of church and state the main issue which is addressed by the Biblical Law Center
