Tic-Tac-Toe Journal Prompts

Choice Grid #1

Use this grid to choose three journal prompts to complete. The three prompts you choose must be in a row: across, down, or diagonally. Circle your three choices.

What are your three most valuable possessions? Why are each of these things important to you?	If you could change one thing about your family, what would you change? Why?	A new student is coming to your class. What are the most important things the new student needs to know?
Finish the sentence. <i>I wonder...</i> in at least ten different ways.	If you could be an animal for a day, which animal would you choose? What would you do during your animal day?	Your parents have decided that your new bedtime should be 6:30. What would you say to convince them that this is a very bad idea?
When was a time that you felt brave? Describe what happened.	What are five of the most important jobs in the world? Why are these five jobs so important?	Write about how you met your best friend.
