Tim Lahaye Prophecy Study Bible King James Version Left Behind:

Will Catholics Be Left Behind? Carl Olson, 2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye s many works on Bible prophecy are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon s scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church s majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O Brien Author Father Elijah **KJV Tim**

Left Behind and Loving It D. Mark Davis,2011-08-15 Left Behind and Loving It is a cheeky critique of popular writings

about the end times Rather than presenting a steroid buffed Jesus wrapped in an American flag and coming again in clouds of gunfire Left Behind and Loving It invites readers to approach some of the most controversial and scary portions of the Scriptures with the utter confidence that God's steadfast love endures forever Rather than asserting a hope premised on a few chosen ones escaping the world Left Behind and Loving It argues that if it is Jesus who is to return and not his evil twin then the second coming has redemption written all over it Many today cannot accept the escapist violent end of the world scenario envisioned by Left Behind theology Left Behind and Loving It invites readers not to fear but to trust in God's steadfast love and look at the finitude of the world with hope in an infinitely loving God **Bible Prophecy for Everyone**

Leonard, 2005 Baptist churches and their members have encompassed a range of theological interpretations and a variety of social and political viewpoints At first glance Baptist theology seems classically Protestant in its emphasis on the Trinity the incarnation of Jesus Christ the authority of Scripture salvation by faith alone and baptism by immersion Yet the interpretation and implementation of these beliefs have made Baptists one of the most fragmented denominations in the United States often characterized as a people who multiply by dividing In Baptists in America Bill J Leonard traces the history of Baptists beginning with their origins in seventeenth century Holland and England He examines the development of Baptist beliefs and practices offering an overview of the various denominations and fellowships within Baptism and considers the disputes surrounding the question of biblical authority the ordinances baptism and the Lord s Supper congregational forms of church governance and religious liberty Leonard also examines the role of Baptists in the Fundamentalist and Social Gospel movements of the early twentieth century the Civil Rights movement and the growth of the Religious Right Leonard explores the social and religious issues currently dividing Baptists including race the ordination of women the separation of church and state and sexuality He concludes with a discussion of the future of Baptist identity in America
