Tim had helped the Florida Gators become national champions in 2006 and 2008 and he won the Heisman Trophy in 2007 as college football's most outstanding player. But Tim was a better runner than a passer in college and some experts thought his style would not work in the pros. He quickly proved the doubters wrong by leading the Denver Broncos to the playoffs in 2011. Traded to the New York Jets in the 2012 offseason, Tim continues to be one of the most popular athletes in any sport.

Tim Tebow Michael Hays,2016-11-30 Tim Tebow is an American professional baseball outfielder in the New York Mets organization and a former professional American football player who played three seasons in the National Football League (NFL). He played college football for the University of Florida, winning the Heisman Trophy in 2007 and appearing on BCS National Championship winning teams during the 2006 and 2008 seasons. Tebow was selected by the Denver Broncos in the first round of the 2010 NFL Draft and spent two seasons with the team. He also played for the New York Jets in 2012. Additionally, he had preseason stints with the New England Patriots and the Philadelphia Eagles in 2013 and 2015 respectively. Tebow became the Florida Gators starting quarterback during the 2007 season when he became the first college sophomore to win the Heisman Trophy. In 2008, Tebow led Florida to a 13-1 record and its second national championship in three years and was named the offensive MVP of the national championship game. The Gators again went 13-1 in 2009, his senior year. At the conclusion of his college career, he held the Southeastern Conference's all-time records in both career passing efficiency and total rushing touchdowns, appearing second and tenth respectively in the NCAA record book in these categories. As a member of the Denver Broncos, he started the last three games of his rookie season and became the team's full-time starting quarterback beginning in the sixth game of 2011. The Broncos were 1-4 before he became the starter but began winning with him on the field, often coming from behind late in the fourth quarter until they won their first AFC West title and first playoff game since 2005, defeating the Pittsburgh Steelers in overtime. Despite his success, however, Tebow's potential as a professional-level quarterback was called into question due to a perceived lack of passing ability, persistent fumbles, and having the lowest passing completion rate in the league. During the 2012 offseason, the Broncos

traded Tebow to the New York Jets where he received little playing time and was released after the 2012 season ended He signed a two year non guaranteed contract with the New England Patriots on June 11 2013 before being cut from the team on August 31 2013 After two seasons away from the game Tebow signed a one year contract with the Philadelphia Eagles on April 20 2015 and was released by the Eagles on September 5 In 2016 Tebow announced he would pursue a career in professional baseball and signed a minor league contract with the New York Mets on September 8
