the ethical consequences of interpretation today A team of six scholar editors and seventy contributors provides clear and concise commentary on key sense units in each book of the Old Testament Apocrypha and New Testament Each unit is explored through the lenses of three levels of commentary based on these critical questions The result is a commentary that is comprehensive and useful for gaining insights on the texts for preaching teaching and research In addition to the commentary essays on each book the volumes also contain major essays that introduce each section of Scripture and explore critical questions as well as up to date and comprehensive bibliographies for each book and essay

Certain Fragments Tim Etchells, 2002-09-26 What is the relationship between performance and play Between performance and technology Between performance and death *Certain Fragments* is an extraordinary exploration of what lies at the heart of contemporary theatre Written by the artistic director of Forced Entertainment acknowledged to be Britains most brilliant experimental theatre company Guardian *Certain Fragments* investigates the processes of devising performance the role of writing in an interdisciplinary theatre and the influence of the city on contemporary art practice Tim Etchells unique and provocative voice shifts from intimate anecdote to critical analysis and back again And as in his theatre making so in his book with *Certain Fragments* Etchells disrupts traditional notions of creative academic and intellectual work The book is an exciting and radical fusion of story telling and criticism It also makes available for the first time four seminal Forced Entertainment texts by Etchells

The Elixir of Immortality Robert E. Cox, 2009-09-09 A modern day quest that echoes the ancient alchemists work to discover the elixir of life Provides an overview of alchemical practices in the ancient world from Europe to China Reveals the alchemical secrets for creating this elixir in clear scientific language In 1989 while attempting to extract precious minerals from his property a wealthy Arizonan obtained a mysterious white material that initially defied scientific attempts to identify it After several years of testing this substance was revealed to consist of gold and platinum but in a form unknown to modern science Further research showed that this powder which had also been discovered to possess marvelous healing powers contained monatomic forms of precious metals whose electron units had been altered to no longer display the physical chemical or electrical properties of the original elements This substance Robert Cox shows bears eerie resemblance to the ultimate quest of the alchemists the elixir of immortality The mysterious material spiritual science of alchemy was once pervasive throughout the ancient world spanning the globe from China and India to Egypt and medieval Europe In *The Elixir of Immortality* Robert Cox reviews the alchemical lore of these traditions and the procedures each used to produce this fabulous elixir Using his own alchemical research Cox then reveals secrets that have been kept hidden for millennia uncovered in his own modern day quest to rediscover this long sought elixir of life
