To Come Home Christina Grossi, 2021-02-02 My spiritual journey has been like a roller coaster filled with joy yet also filled to the brim with pain and full of insights In addition it has been filled with lies and a search for the truth edged with betrayal but also with love a desire to be like everyone else but now with an incredible gratitude for being me and an eternal search

within me for the source that I have desperately searched for outside of me and which was never possible to find there To live in my truth fully is to stand in the light always see the good in people and in myself and never do any harm Standing in my own truth is knowing who I am gratefully receiving lessons and humbly learning from them To forgive to be whole to accept to love What a journey My little angel Spread your wings Turn your face toward your inner sun Let the heart mirror your soul You are one one with yourself Grandmother

Required Love Candy Lott,2013 James a CIA agent was captured and thrown into a Russian prison The pain and suffering that was inflicted upon him by his captors was inhuman and unbearable When he was sure he was about to die from starvation and torture he drifted into a state of unreality and bliss A woman whom he had loved deeply for many years appeared to him She gave him a will to pray and a desire to live Sarah had buried her love and beautiful memories of James in a special place in her heart Many times when she was lonely and needed to believe in herself she would go to that place But for the past year James dominated her thoughts and dreams She realized that they were too real so she started praying for him because she just knew that he was ill or in some kind of trouble By chance Sarah found James and the love that they retained in their hearts for each other was fulfilled but the danger for James is still out there **My Cancer Journey and Lessons Learned** Linda Morgan Anderson,2024-12-11 As I began coming to terms with my cancer diagnosis I started writing these devotions I felt God was leading me to do this and at times He would speak to me about writing several at a time then there would be dry times Those times came when I was more focused on worldly things than what God was wanting me to be focused on As I returned to listening to that small voice the subject and body of the devotion came dearer to me and I began writing again There are devotions directly related to my cancer journey with most relating to the lessons that I have learned or relearned Recently I was diagnosed with another cancer breast cancer After surgery and radiation treatments I feel the chance of reoccurrence is as low as it can be As I have gone through the diagnosis and treatment these devotions have proven be support to me even though I wrote them My prayer is that those reading this book will be inspired to have hope for the future even though they are going through or have gone through their own cancer journey **Final Reflections** Gary Dunn,2013-07-09 This story is very much from the heart filled with intrigue emotions and reflections of the life of Tessa So much heartache with the struggles and hardships of Tessa s mother Shelby Her gut wrenching survival when
