Time Heals No Wounds Hendrik Falkenberg, 2016 Freshly trained detective Johannes Hannes Niehaus is brand new to the Criminal Investigation Department And his partner unconventional veteran detective Fritz Janssen isn't the least bit thrilled to train a rookie When a woman's body washes up on the nearby shores of the Baltic Sea Hannes gets his first taste of real crime and a chance to prove himself Quickly the investigation pulls him and Fritz into a whirlpool of dangerous decades old cover ups As the death count rises the clues begin to lead them back to the Third Reich and to harrowing crimes some people will do anything to keep hidden With the dead woman's beautiful assistant to protect and a missing girl to find Hannes navigates an ever twisting maze of concealed horrors and enduring vendettas Will he be able to catch the murderer before another innocent life gets caught in the killer's dark plan There Will Be No Miracles Here Casey

Gerald, 2019-10-01 NAMED A BEST BOOK OF 2018 BY NPR AND THE NEW YORK TIMES A PBS NEWSHOUR NEW YORK TIMES BOOK CLUB PICK Somehow Casey Gerald has pulled off the most urgently political most deeply personal and most engagingly spiritual statement of our time by just looking outside his window and inside himself Extraordinary Marlon James Staccato prose and peripatetic storytelling combine the cadences of the Bible with an urgency reminiscent of James Baldwin in this powerfully emotional memoir BookPage The testament of a boy and a generation who came of age as the world came apart a generation searching for a new way to live Casey Gerald comes to our fractured times as a uniquely visionary witness whose life has spanned seemingly unbridgeable divides His story begins at the end of the world Dallas New Year's Eve 1999 when he gathers with the congregation of his grandfather's black evangelical church to see which of them will be carried off His beautiful fragile mother disappears frequently and mysteriously for a brief idyll he and his sister live like Boxcar Children on her disability checks When Casey following in the footsteps of his father a gridiron legend who literally broke his back for the team is recruited to play football at Yale he enters a world he's never dreamed of the anteroom to secret societies and success on Wall Street in Washington and beyond But even as he attains the inner sanctums of power Casey sees how the world crushes those who live at its margins He sees how the elite perpetuate the salvation stories that keep others from rising And he sees most painfully how his own ascension is part of the scheme There Will Be No Miracles Here has the arc of a classic rags to riches tale but it stands the American Dream narrative on its head If to live as we are is destroying us it asks what would it mean to truly live Intense incantatory shot through with sly humor and quiet fury There Will Be No Miracles Here inspires us to question even shatter and reimagine our most cherished myths **Amelia Unabridged** Ashley

Armed with Abundance Meredith H. Lair,2011-11-28 Popular representations of the Vietnam War tend to emphasize violence deprivation and trauma By contrast in Armed with Abundance Meredith Lair focuses on the noncombat experiences of U S soldiers in Vietnam redrawing the landscape of the war so that swimming pools ice cream visits from celebrities and other comforts share the frame with combat To address a tenuous morale situation military authorities Lair reveals wielded abundance to insulate soldiers and by extension the American public from boredom and deprivation making the project of war perhaps easier and certainly more palatable The result was dozens of overbuilt bases in South Vietnam that grew more elaborate as the war dragged on Relying on memoirs military documents and G I newspapers Lair finds that consumption and satiety rather than privation and sacrifice defined most soldiers Vietnam deployments Abundance quarantined the U S occupation force from the impoverished people it ostensibly had come to liberate undermining efforts to win Vietnamese hearts and minds and burdening veterans with disappointment that their wartime service did not measure up to public expectations With an epilogue that finds a similar paradigm at work in Iraq Armed with Abundance offers a unique and provocative perspective on modern American warfare
