Science, History and Social Activism Garland E. Allen, Roy M. MacLeod, 2013-03-14

To earn a degree every doctoral candidate should go out to Harvard Square find an audience and explain his or her dissertation Everett Mendelsohn's worldly advice to successive generations of students whether apocryphal or real has for over forty years spoken both to the essence of his scholarship and to the role of the scholar Possibly no one has done more to establish the history of the life sciences as a recognized university discipline in the United States and to inspire a critical concern for the ways in which science and technology operate as central features of Western society This book is both an act of homage and of commemoration to Professor Mendelsohn on his 70th birthday As befits its subject the work it presents is original comparative wide ranging and new Since 1960 Everett Mendelsohn has been identified with Harvard University and with its Department of the History of Science Those that know him as a teacher will also know him as a scholar In 1968 he began and after 30 years has just bequeathed to others the editorship of the *Journal of the History of Biology* among the earliest and one of the most important publications in its field At the same time he has been a pioneer in

the social history and sociology of science He has formed particularly close working relationships with colleagues in Sweden and Germany as witnessed by his editorial presence in the Sociology of Science Yearbook

Visual Activism in the 21st Century Stephanie Hartle, Darcy White, 2022-07-28 The world is in crisis bringing activists and protesters onto the streets and into the public eye More than ever activism relies on spectacle and visibility in order to be noticed in the era of globalized capitalism and networked media At the same time a growing number of artists employ creative strategies to critique the establishment act in resistance and demand change Visual activism of this kind is not new but it is rapidly evolving This anthology presents 16 case studies of visual activism from across the globe providing an up to date picture of the impact of contemporary visual and art activism and combining a scholarly interrogation of visual activism with an examination of how it works in practice The case studies address a wide range of issues including human rights abuses state violence gender and sexuality racism migration and climate breakdown They examine a range of approaches from playful carnivalesque parades to extreme practices such as lip sewing and are drawn from a wide range of international contexts from Europe and the US to Iran India Pakistan Tunisia and China This diverse scope enables readers to consider examples comparatively noticing emerging trends and key differences to reveal how geopolitical and cultural factors play an important role in shaping activist practices This rich and timely collection provides a fresh perspective on the possibilities limitations and politics of visual activism as activists artists and curators respond to the changing world around them in this most uncertain of times

Social Movements and Activism in the USA Stephen Valocchi, 2009-09-10 Social Movements and Activism puts front and center the stories rhetoric and emotions of progressive activists from Hartford Connecticut a post industrial city in neo liberal nation Resisting the impulse to flatten the myriad voices of activism but refusing to leave these voices without context Social Movements and Activism uses analytic concepts from social movement theory to assist these activists in telling us who they are why and how they do activism and what conflicts tensions and satisfactions they derive from it

Family Activism in the Aftermath of Fatal Violence Elizabeth A. Cook, 2020-11-29 Family Activism in the Aftermath of Fatal Violence explores how family and family activism work at the intersection of personal and public troubles and considers what influence family testimonies of fatal violence can have on matters of crime justice and punishment The problem of fatal violence represents one end of a long continuum of violence that marks society the effects of which endure in families and friends connected through ties of kinship identity and social bonds The aftermath of fatal violence can therefore be an intensely personal encounter which confronts families with disorder and uncertainty Nevertheless bereaved families are often found at the forefront of efforts to expose injustice rouse public consciousness and drive forward social change that seeks to prevent violence from happening again This book draws upon ethnographic research with those bereaved by gun violence who became involved in family activism in the context of fatal violence namely the attempts by bereaved families to manage their experiences of violent death through public expressions of grief and become proxies for

wider debates on social injustice This is an ever more pressing issue in a landscape which increasingly sees the delegation of responsibility to families and communities that are left to deal with the aftermath of violence An accessible and compelling read this book will appeal to students and scholars of criminology sociology cultural studies and all those interested in learning more about the after effects of fatal violence The ^AOxford Handbook of Cultural Sociology Jeffrey C. Alexander,Ronald Jacobs,Philip Smith,2012-01-26 A collection of essays on various topics from the perspective of cultural sociology based on the premise that ideas and beliefs retain autonomy from the social structures to which they refer and illuminate Change Activist Carmel McConnell,2022-03-30 This book is for anyone wanting to make change happen in their life in their workplace or community and possibly for a better world It shows how social activists ask better questions take baby steps to move to the next level From green campaigns to building profitable trusted teams to Government policy Carmel offers practical tools and strategies in your personal and professional life Rather than tune out or hope someone else will create the best options Change Activists use passion purpose and a compelling plan to move forward Change activists ask better questions what am I passionate about what change do I want to see in the world how can I make big things happen fast in my life If you are interested in values led change for yourself and across any kind of organization this will help there is power in being true to yourself in doing the right thing And it is your life so don t be plastic about it The book describes how to navigate the ups and downs of making change happen from start up to scale up to winning backers and allies Through interviews with global change leaders including Big Issue co Founder Lord John Bird Kenyan education leader Qabale Duba and Indian vaccination activist Varsha Vanugobal Carmel unpacks the elements of successful change activists suggests we are all capable of more if we take action This is a practical guide Carmel wants everyone to find and play their part in a better future Contemporary Youth Activism Jerusha Conner,Sonia M. Rosen,2016-09-26 A cutting edge study showcases the emergence of contemporary youth activism in the United States its benefits to young people its role in strengthening society and its powerful social justice implications At a time when youth are too often dismissed as either empowered consumers or disempowered deviants it is vital to understand how these young people are pushing back challenging such constructions and advancing new possibilities for their institutions and themselves This book examines the latest developments in the field of contemporary youth activism CYA and documents the myriad ways in which youth activists are effecting social change even as they experience personal change By taking public political action on a range of intersecting issues youth activists are shifting their own developmental pathways shaping public policy and shaking up traditional paradigms Section one of the book offers a historical perspective on youth activism in the United States followed by a discussion of contemporary examples of CYA for social justice The second and third sections analyze the individual institutional and ideological effects of CYA arguing that youth activism works to promote change at three levels self systems and in the broader society Readers will come away with a clearer understanding of the many ways in which today s youth

activists are working to reimagine and remake American democracy reawakening the promise of a multi issue progressive movement for social justice
