Children's Theater Wilma Melson Grant, 2021-03-01 If you are an elementary school teacher or parent of an elementary school student who loves the theater but has no theatrical experience Then this book is for you This teacher was the student council advisor for the school and a true lover of the theater who went to the theater often and

exposed her students to the theater by helping them raise money in many ways to bring a performing arts traveling theater company of a local college to the school. When this college lost their funding and could no longer travel to perform for the various schools in the area, the children in this school asked their advisor to organize their very own theater group for the school. Well, this teacher told them in no uncertain terms that she knew absolutely nothing about acting and would not even know how to begin a drama program. Well, the children convinced this teacher to at least try. So she did. This book shows how this teacher, through her friends and family members who knew people who knew theatrical people who guided her and showed her how she really could organize a real drama program for her school. This book shows the elementary teacher how to teach the children to write their own script from their favorite book in their library. Then eventually write their own version of popular stories such as *The Wizard of Oz*. It also shows the teacher how to organize the parents of the students into the essential needs of a drama club by assessing the various talents of the parents and interested members of the faculty. This book also shows the drama teacher how to introduce to the students various improvisations and exercises for developing acting skills. It also includes the scripts and directions for nine different plays including suggested music all suitable for elementary students. In other words, it is a book of how an elementary teacher went from having no theatrical experience to how she was able to organize a very successful drama club that was invited to perform for the D A R E conference and the governor at the capitol building in Sacramento, California.

Reza Abdoh Daniel Mufson, 1999. Incorporating interviews, critical essays, reviews, and the complete text of the play *The Hip Hop Waltz* of Eurydice. Reza Abdoh is a comprehensive introduction to this influential and controversial theater artist. By the time he died of AIDS in the spring of 1995 at age 32, Reza Abdoh had written, assembled, and directed well over a dozen works for the stage. In this first complete account of his career, Abdoh emerges as an internationally acclaimed artist who was influenced by a wide range of cultures and sources. Yet he is also distinctly American, a visionary who drew heavily on popular culture to expose sexual, racial, and media obsessions in American society. Despite this influence, Abdoh's works are not typical of American theater, according to theater critic Daniel Mufson, because they vehemently reject sentimentality and happy endings.

Wobble Rae Armantrout, 2018-10-16 Pulitzer Prize winning poet Rae Armantrout is at once a most intimate and coolly calculating poet If anyone could produce a hybrid of Charlie Chaplin's playful Little Tramp and Charlize Theron's fierce Imperator Furiosa it would be Armantrout Her language is unexpected yet exact playing off the collective sense that the shifting ground of daily reality may be a warning of imminent systemic collapse While there are glimmers here of what remains of the natural world

the poet confesses the human failings personal and societal that have led to its devastation No one's senses are more acutely attuned than Armantrout's which makes her an exceptional observer and reporter of our faults She leaves us wondering if the American Dream may be a nightmare from which we can't awaken Sometimes funny sometimes alarming the poems in Wobble play peek a boo with doom
