challenged the conventional objectivity of the newsroom *Women Photographers and Feminist Aesthetics* Claire Raymond, 2017-04-21 *Women Photographers and Feminist Aesthetics* makes the case for a feminist aesthetics in photography by analysing key works of twenty two women photographers including cis and trans woman photographers Claire Raymond provides close readings of key photographs spanning the history of photography from nineteenth century Europe to twenty first century Africa and Asia She offers original interpretations of well known photographers such as Diane Arbus Sally Mann and Carrie Mae Weems analysing their work in relation to gender class and race The book also pays close attention to the way in which indigenous North Americans have been represented through photography and the ways in which contemporary Native American women photographers respond to this history Developing the argument that through aesthetic force emerges the truly political the book moves beyond polarization of the aesthetic and the cultural Instead photographic works are read for their subversive political and cultural force as it emerges through the aesthetics of the image This book is ideal for students of Photography Art History Art and Visual Culture and Gender Justin Reed Early, 2008-11 **Skid Road** Josephine Ensign, 2021-08-03 *Brother s Keeper Skid Road The Sisters Ark of Refuge Shacktown Threshold State of Emergency Epilogue Visual Sociology* Douglas Harper, 2023-06-09 This new version of the authoritative textbook in the field of visual sociology focuses on the key topics of documentary photography visual ethnography collaborative visual research visual empiricism the study of the visual symbol and teaching sociology visually This updated and expanded edition includes nearly twice as many images and incorporates new in depth case studies drawing upon the author s lifetime of pioneering research and teaching as well as the often neglected experiences of women and people of color The book examines how documentary photography can be useful to sociologists both because of the topics examined by documentarians and as an example of how seeing is socially constructed Harper describes the exclusion of women through much of the history of documentary photography and the distinctiveness of the female eye in recent documentary a phenomenon he calls the gendered lens The author examines how a visual approach allows sociologists to study conventional topics differently while offering new perspectives topics and insights For example photography shows us how perspective itself affects what we see and know how abstractions such as ideal types can be represented visually how social change can be studied visually and how the study of symbols can lead us to interpret public art architecture and person made landscapes There is an extended study of how images can lead to cooperative research and learning how images can serve as bridges of understanding blurring the lines between researcher and researched The important topic of reflexivity is examined by close study of Harper s own research experiences Finally the author focusses on teaching offering templates for full courses assignments and projects and guides for teachers imagining how to approach visual sociology as a new practice This definitive yet accessible textbook will be indispensable to teachers researchers and professionals with an interest in visual sociology research methods cultural theory and visual anthropology Visual Ethics Paul Martin Lester, 2018-01-19 *Visual*

Ethics addresses the need for critical thinking and ethical behavior among professionals responsible for visual messages in photography and photojournalism film and digital media From the author of Photojournalism An Ethical Approach published more than 20 years ago this book goes beyond photojournalism ethics It discusses crucial contemporary concerns including persuasion stereotyping global perspectives graphic design decisions multimedia production social media and more Written for an ever growing discipline author Paul Martin Lester gives serious ethical consideration to the complex field of visual communication

House of Psychotic Women Kier-La Janisse,2015-01-09 Cinema is full of neurotic personalities but few things are more transfixing than a woman losing her mind onscreen Horror as a genre provides the most welcoming platform for these histrionics crippling paranoia desperate loneliness masochistic death wishes dangerous obsessiveness apocalyptic hysteria Unlike her male counterpart the eccentric the female neurotic lives a shamed existence making these films those rare places where her destructive emotions get to play HOUSE OF PSYCHOTIC WOMEN is an examination of these characters through a daringly personal autobiographical lens Anecdotes and memories interweave with film history criticism trivia and confrontational imagery to create a reflective personal history and a celebration of female madness both onscreen and off This critically acclaimed publication is packed with rare images that combine with family photos and artifacts to form a titillating sensory overload with a filmography that traverses the acclaimed and the obscure in equal measure Films covered include The Entity Paranormal Activity Singapore Sling 3 Women Toys Are Not for Children Repulsion Let's Scare Jessica to Death The Haunting of Julia Secret Ceremony Cutting Moments Out of the Blue Mademoiselle The Piano Teacher Possession Antichrist and hundreds more Prior to this ebook edition Kier La's highly acclaimed book has already been issued twice in hardcover and twice in paperback garnering extensive press coverage Endorsement including the following God this woman can write with a voice and intellect that's so new The truth in the most deadly unique way I've ever read Ralph Bakshi director of Fritz the Cat Heavy Traffic Lord of the Rings etc Fascinating engaging and lucidly written an extraordinary blend of deeply researched academic analysis and revealing memoir Iain Banks author of The Wasp Factory

The Concise Focal Encyclopedia of Photography

Michael Peres, 2014-06-20 Defining photography is impossible Revealing it is another matter and that's what The Concise Focal Encyclopedia of Photography does with each turn of the page History The technical origins and evolution of photography are half of the story The other half consists of the ways that cultural forces have transformed photography into a constellation of practices more diverse than any other mode of representation Photographers can tell a more in depth story through a photo like Dorothea Lange's Migrant Mother than a journalist ever could with the written word alone Major themes and practitioners Over 25 entries many with supporting illustrations examine the figures trends and ideas that have contributed most heavily to the history and current state of photography Contemporary issues The issues influencing photography today are more complex than at any other time in its history Questions of ethics desire perception digitization and commercialization all vie for attention Hear what the experts have to say about crucial issues such as whether or not the images we take today will last the test of time and if so how When material is covered this skillfully concise is no compromise The Concise Focal Encyclopedia of Photography is packed with useful information compelling ideas and best of all pure pleasure
