Essentials: How to write effective emails and build great relationships one message at a time Shirley Taylor, 2017-02-15

Reading, writing, and managing email is taking up an increasing amount of our time. But are we using it right? Just as body language helps you to make an impression in person, what you write and how you write it affects what people think of you and your organisation. Be it a thank-you note, a meeting reminder, a proposal, or a sales pitch, a well-written message that looks and sounds professional will make it easier for people to want to do business with you. It will help people feel good about communicating with you and help you achieve the right results. This invaluable guide offers step-by-step pointers that readers can put into practice right away. The highlight of the book is a series of 10 model email templates covering scenarios like requests for information, conveying bad news, complaints, and sales prospecting. These are explained and analysed to show what makes them simple yet effective. **Simple Tips to Developing a Productive Clinician-Patient Relationship**

Nonye T. Aghanya MSc RN FNP-C, 2016-11-10 Do you sometimes feel apprehensive about an upcoming doctor's appointment, wondering, "What should I say? How should I act? How can I get my point across to my doctor? Should I speak more or allow the doctor to do more or all of the talking? Will I make a connection with the doctor?" If you are a clinician, you may wonder, "Who is this new patient? Will the patient be receptive to clinical suggestions? Will the patient be accepting or judgmental?" This guidebook highlights several patient personalities and the effects of such personalities on the formation of productive clinician-patient relationships.
