Gregory,1828 **Sun Turned to Darkness** David Patterson,1998-09-01 In examining the recorded memoirs of fifty Holocaust survivors David Patterson draws on the teaching of the sacred texts of Jewish tradition and the philosophy of Emil Fackenheim and Emmanuel Levinas That memory he argues serves three purposes for Jews struggling to recover after the Holocaust First a recovery of tradition Not only was the body of Israel targeted for destruction but also its very soul as that soul was defined by God Torah and sacred history Second a recovery from an illness These Jews suffer from the illness of indifference that plagued heaven and earth throughout the event Third these memoirs reveal the open ended nature of recovery as a process that has no resolution The survivors emerge from the camps but the camps stay with the survivors and cast their shadow over the world Readers are transformed into witnesses who face a never ending process of remembrance for the sacred in spite of indifference
