Nic Sheff

Tweak Growing Up On Methamphetamines:

Tweak Nic Sheff, 2009-01-06 Nic Sheff shares the compelling and true story of his addictions growing up his violent relapse and the road to recovery *We All Fall Down* Nic Sheff, 2025-05-01 In his follow up to his bestselling memoir *Tweak Growing Up On Methamphetamines* Nic Sheff reveals a brutally honest account of a young person's struggles with relapse and rehab In his bestselling memoir *Tweak* Nic Sheff took readers on an emotionally gripping roller coaster ride through his days as an addict In this powerful follow up about his continued efforts to stay clean Nic writes candidly about eye opening stays at rehab centers devastating relapses and hard won realizations about what it means to be a young person living with addiction By candidly revealing his own failures and small personal triumphs Nic inspires readers to maintain hope and to remember that they are not alone in their battles A group reading guide is included Nic Sheff's *Tweak* *We All Fall Down* and his father's memoir about him *Beautiful Boy* are the basis of the film *Beautiful Boy* starring Steve Carell and Timoth   Chalamet **Tweak** Nic Sheff, 2012-12-11 THE NEW YORK TIMES BESTSELLER NOW A MAJOR FILM STARRING STEVE CARELL AND BAFTA AND GOLDEN GLOBE NOMINATED TIMOTHEE CHALAMET It was like being in a car with the gas pedal slammed down to the floor and nothing to do but hold on and pretend to have some semblance of control But control was something I'd lost a long time ago Nic Sheff was drunk for the first time at age 11 In the years that followed he would regularly smoke pot do cocaine and ecstasy and develop addictions to crystal meth and heroin Even so he felt like he would always be able to quit and put his life together whenever he needed to It took a violent relapse one summer to convince him otherwise In a voice that is raw and honest Nic spares no detail in telling us the compelling true story of his relapse and the road to recovery He paints an extraordinary picture for us of a person at odds with his past with his family with his substances and with himself *Tweak* is a raw harrowing and ultimately hopeful tale of the road from relapse to recovery and complements his father's parallel memoir *Beautiful Boy* Praise for Nic Sheff Difficult to read and impossible to put down Chicago Tribune Nic Sheff's wrenching tale is told with electrifying honesty and insight Armistead Maupin

High David Sheff, Nic Sheff, 2019 Provides information on drug and alcohol use shares the stories of families who have lived through addiction and teaches readers how to navigate peer pressure and stress **Methamphetamines** Alexis Burling, 2019-12-15 Methamphetamine abuse is a worldwide problem This invaluable resource written in accessible and engaging language covers vital subjects such as how meth affects the brain and body the consequences of meth addiction and how to get help True stories about people struggling with using crystal meth or trying to get sober help readers put addiction in perspective while sidebars about topics such as the history of methamphetamine use offer important context Contact information for drug hotlines rehab centers and other community service organizations are included **If I Grow Up** Todd Strasser, 2010-02-23 In a gripping novel with a plot pulled from the headlines Todd Strasser turns his attention to gang life in the inner city projects DeShawn is a teenager growing up in the projects Most of his friends only see one choice

join up to a gang DeShawn is smart enough to want to stay in school and make something more of himself but when his family is starving while his friends have fancy bling and new sneakers DeShawn is forced to decide is his integrity more important than feeding his family

Methamphetamine Ralph Weisheit, William L. White, 2009-08-19 The definitive book on the impact of methamphetamine on individuals communities and society by two of America's leading addiction and criminal justice experts In recent years the media have inundated us with coverage of the horrors that befall methamphetamine users and the fires explosions and toxic waste created by meth labs that threaten the well being of innocent people In *Methamphetamine Its History Pharmacology and Treatment* the first book in Hazelden's Library of Addictive Drugs series Ralph Weisheit and William L White examine the nature and extent of meth use in the United States from meth's early reputation as a wonder drug to the current perception that it is a scourge of society In separating fact from fiction Weisheit and White provide context for understanding the meth problem by tracing its history and the varying patterns of use over time then offer an in depth look at the latest scientific findings on the drug's effects on individuals the myths and realities of the drug's impact on the mind the national and international implications of methamphetamine production the drug's impact on rural communities including a case study of two counties in the Midwest issues in addiction and treatment of meth Thoroughly researched and highly readable *Methamphetamine* offers a comprehensive understanding of medical social and political issues concerning this highly impactful drug Written for professionals and serious lay readers by nationally recognized experts the books in the Library of Addictive Drugs series feature in depth comprehensive and up to date information on the most commonly abused mood altering substances

Narratives of Addiction Kevin McCarron, 2022-01-03 *Narratives of Addiction* Savage Usury is the first book to argue in the face of more than a century's received wisdom that drug addiction and alcoholism are undoubtedly evidence of individual moral flaws However the sense of morality that underlies this book is completely severed from Christianity Instead it is influenced in particular by the writings of the nineteenth century German philosophers Arthur Schopenhauer and Frederick Nietzsche both of whom insisted that a genuine morality was actually incompatible with Christianity The sequence of chapters moves from addictions on the streets into rehab clinics and finally into the meetings of Alcoholics Anonymous and Narcotics Anonymous This is the first book to argue that the search for pleasure drives alcoholism and drug addiction and not the numbing of pain Throughout the book I reject the claims of the medical profession as embodied by the American Medical Association that drug addiction and alcoholism are diseases and further argue that they do not have the authority to tell hundreds of millions of Americans that addiction is not a moral failing I also query throughout the book the claims of neuroscience psychology and the social sciences that addictions to alcohol and drugs are attributable to causes that their specific disciplines are best suited to understand I argue that there is nothing complex about addiction it is a simple behavioural disorder The language routinely employed to discuss addiction is similarly not complex just confused and so it is also the rhetoric of addiction discourse

especially its use of simile metaphor and euphemism that this book evaluates **Outstanding Books for the College Bound** Angela Carstensen, 2011-05-27 More than simply a vital collection development tool this book can help librarians help young adults grow into the kind of independent readers and thinkers who will flourish at college **Starting from Scratch** Sarah Ludwig, 2011-06-16 Create a successful vibrant and youth centered teen services program with this practical comprehensive guide even when resources are limited In order to develop a young adult department from the ground up librarians need to be informed about a myriad of interrelated tasks and responsibilities creating policies purchasing materials program scheduling outreach and budgeting Even for libraries that already have teen oriented materials within their facilities keeping them current and fresh is a challenge especially when budget or physical space is an issue Starting from Scratch Building a Teen Library Program is an instrumental resource for librarians who are either entering an established teen program with no previous experience or establishing a new teen program in a library It covers all steps in the process of becoming a successful teen librarian from getting the job and advocating for a teen department to adding qualified staff and ongoing professional development
