The Education of a Value Investor Guy Spier, 2014-09-09 Guy Spier s winning approach to value investing explores the perils of an elite education and how to create a value investing portfolio

So You Want to Be a Superinvestor? Ashray Jha, 2023-12-29 It is human nature to make simple things more complicated than they actually are Investing is no exception From our early days in school we are briefly taught about the stock market given complex formulas to take a quantitative approach and use Greek letters to define terms in the stock market The constant use of phrases like smart money by the media makes you believe you have to know everything about investing to have a chance to succeed However there are always two sides to every coin So You Want to Be a Superinvestor examines what we were taught about investing from academia and then questions this conventional thinking Do the greatest investors like Warren Buffett and other Superinvestors also use the conventional wisdom or do they think about investing differently Is this nonconventional investing approach accessible to all or only ultrawealthy millionaires In this easy to understand book the author details his own journey into investing from his early influences from his dad to what he learned in the realm of academia to researching other great Superinvestors Across various books and media these wildly successful investors have shared their teachings on evaluating companies how to think about market cycles investor mindsets and how the macro economy effects investing So You Want to Be a Superinvestor is a comprehensive book that takes the various lessons learned from the Superinvestors and illustrates these points by using examples from the authors own life The author also makes observations on market moving events the changing psychology of investors and provides research and examples from history to guide you in your investing journey These principles can be used by beginners to intermediate investors to emulate the success of the greats

The

Midas Touch John Train,1987 The investment formula of Warren Buffett the only member of Forbes 400 s billionaire group to earn his money solely from investments From the author of The Money Masters *Forbes* ,1998 What Goes Up Eric J. Weiner,2025-05-01 The ups and downs the schemes and scams the IPOs and hostile takeovers the egos the brilliance the greed and the glory this is the story of Wall Street told by the men and women who made it happen Once upon a time Wall Street was just a footpath near the southern tip of Manhattan Island Today it is the center of the financial world the pivot point on which economies turn companies rise and fall and daring men and women go from rags to unbelievable riches and sometimes back again Along the way Wall Street also has transformed itself and society growing from an exclusive gentlemen s club to the place that millions of people now trust with their financial futures Never has it been more important to understand how modern Wall Street truly works And never before has the story of modern Wall Street been told by those who were there personally in their own words uncensored unfiltered unbound Now in What Goes Up acclaimed financial journalist Eric J Weiner gives us the unvarnished first person truth in a riveting story based on hundreds of interviews with Wall Street insiders that captures the booms and busts of the past half century in America s financial capital in gripping detail From Warren Buffett to Michael Milken Sandy Weill to Henry Kravis Peter Lynch to Alan Greenspan from the birth of the mutual fund to the Internet bubble from trading scandals to global meltdowns from the rise of tycoons to the fall of giants What Goes Up is a remarkable weaving together of larger than life characters and insider accounts Eric J Weiner has spoken to just about everybody from CEOs to the barber in the basement of the stock exchange For anyone who wants to understand how Wall Street became what it is who wants to know how the biggest deals really happened who wishes they had been a fly on the wall when it all went down this is the book **What's Behind the Numbers?: A Guide to Exposing Financial Chicanery and Avoiding Huge Losses in Your Portfolio** John Del Vecchio,Tom Jacobs,2012-10-10 Learn how to detect corporate sleight of hand and gain the upper hand with smart investing Kiplinger's Personal Finance ,2001-10 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics More Mortgage Meltdown Whitney Tilson,Glenn Tongue,2009-06-01 A clear look at how to capture investment profits during difficult financial times The U S economy has become crippled by the credit and real estate catastrophe Even though we ve all been affected by the calamity and have heard no shortage of news about it it still seems unfathomable and utterly incomprehensible to most people that the actions of certain mortgage brokers bankers ratings agencies and investment banks could break the economic engine of the world Now for the first time and in terms everyone can grasp noted analysts and value investing experts Whitney Tilson and Glenn Tongue explain not only how it happened but shows that the tsunami of credit problems isn t over The second wave has yet to come But if you know catastrophe is looming you can sidestep the train wreck and even profit You just need to understand how bad times present opportunity and where to look More Mortgage Meltdown can help you achieve this goal The book Breaks down the complex

mortgage products and rocket science securities Wall Street created Addresses how to find investment opportunities within the rubble and position your portfolio to take advantage of the crisis Explains exactly how the combination of aggressive lending government missteps and Wall Street trading practices created the perfect economic storm Shows you why the crisis is not yet over and what we can expect going forward More Mortgage Meltdown can help you understand the events that have unfolded and put you in a better position to profit from the opportunities that arise during these tough financial times
