Twin Spica 3 Kou Yaginuma, 2013-05-29 Asumi is going through her growing pains right now She knew this new challenge would not be simple Mentally and even with her petite frame physically she was prepared for almost anything the Japanese Aerospace Exploration Agency JAXA could throw at her Emotionally however she was light years away from being able to even take more than a few attacks on her long suppressed past So when Asumi is at her lowest a longtime friend of the invisible sort pays a visit As he is grappling with his own past she realizes that there is no way she cannot move forward Nothing here can keep her from taking off

Twin Spica 9 Kou Yaginuma, 2013-10-29 In the ninth volume of Twin Spica Asumi and her classmates are getting closer and closer towards graduation and changes in store for this group of friends There will be good byes to be said and that might end up causing some tension within this group Some of that friction might be spurred on from outside of the Tokyo Space School as the media has caught on to the identities of at

least one prime candidate **Twin Spica 7** Kou Yaginuma,2013-09-24 Asumi and her friends have been granted some well deserved time off And as the gang begins to realize how close they have become over the past year they decide together to head off to the home of two prime members of this now tight star gazing circle Yuigahama Back in the home town of Asumi and Fuchuuya the gang slowly get to learn more about the Lion Disaster and the sad tale of the Kamokawa s The girls gets to experience the star filled room Asumi grew up in where she got to intimately live among the constellations They spend time with the Fuchuuya family fireworks store as they prepare to close out the summer with a bang And somehow along the way these friends find a way to melt the ice that had formed around ice queen Marika s heart revealing a secret that no one in the galaxy was prepared for **Twin Spica 8** Kou Yaginuma,2013-10-22 The astronaut selection test is around the corner and one member of the TSS s first class is quietly preparing for this challenge This student has plenty to prove but to do so without the aide of family or friends might be even more difficult The exam will send one of these friends to America Will it be worth the heartache Twin Spica 2 Kou Yaginuma,2013-05-14 Where were you when the first International Space Station was scrapped and dropped into Earth s atmosphere It was Asumi s first day in space school and she promised Lion she would not cry or be homesick as she will be leaving her quiet seaside town for the big city Waiting for her in Tokyo will be a lot of work She is going to have to go through the rigors of space exploration training at the Tokyo Space School After hours Asumi will focus her efforts on homework when not earning her tuition at the neighborhood Denny s It is not uncommon to run 20 laps around the campus each day Follow that up with physics and advance mathematics courses in the classroom Only to close the night by mapping out the constellations in the southern sky This is just what she expected the TSS to be and yet why is it so hard to envision going to space someday With all of the work she and her classmates are accomplishing why does space still feel so far away
