Twins Triplets And More Their Nature Development And Care:

Twins, Triplets, and More Elizabeth M. Bryan, 1998-12-15 Twins and higher multiple births bring parents unique joys and unique challenges Dr Elizabeth Bryan founder of the Multiple Births Foundation addresses everything the parents of multiple births need to know from conception to adulthood For example The real difference among fraternal identical and half identical siblings Naming resisting the John and Jane urge Twin languages and their effect on speech development Treating multiples equally without homogenizing them How to ask for and manage help all parents of multiples need it Separation and independence getting the right mix The increased use of fertility drugs combined with the trend toward later motherhood has made multiple births more common than ever In frank but reassuring language Dr Bryan guides parents through the inimitable journey of parenting twins triplets and more **Twin and Triplet Psychology** Audrey Sandbank, 2003-09-02

Information on the special needs and natures of twins and multiples is often difficult for professionals to obtain Twin and Triplet Psychology fills this gap helping professionals to be better equipped to offer advice to parents and twins alike Examining the psychology of twinship throughout the lifespan the book includes chapters on twins in utero temperament development and inter twin behaviour before and after birth antenatal and postnatal influences on family relationships twins with special needs the death of a twin twins in secondary school and adolescence Encyclopedia of Human Development
