NG speedrun The game can be finished in 1 1 5 hours so the 2 hour requirement is quite lenient Sword of the Sea has 163 collectibles that are required for trophies achievements Each collectible type has its own cumulative trophy or individual trophy for rideable animals and frogs None of the collectibles are missable and progress saves between playthroughs You can collect any missed collectibles in New Game or Chapter Select after your first playthrough with the exception of Water Points Water Points have a gameplay aspect in each level and are reset each time you play through a chapter so if you don t earn the trophy for fully restoring water to a location during a chapter you need to collect all of them in that chapter again to earn the trophy achievement You can see your total number of secret shells collected in the pause menu but Chapter Select doesn t keep track of how many per level you have collected
