The Price of Salvation Nora Erin, The Price of Salvation Crimson Grimoire Book 3 In a realm on the brink of collapse where shadows dance with malevolent intent and whispers of ancient prophecies hang heavy in the air Anya von Albrecht holds the fate of all in her hands Possessing the enigmatic Crimson Grimoire a tome whispered to be both salvation and damnation she walks a razor s edge between light and darkness As chaos tightens its grip on the kingdom Anya must navigate a treacherous path fraught with betrayal and impossible choices Will she unleash the Grimoire s power to stem the tide of destruction even as it threatens to consume her very essence Or can she find redemption through paths untrodden weaving magics older than time itself to defy her own dark legacy Forging alliances infused with distrust and ancient enmity Anya joins forces with Isolde Sylvestri a druidess with secrets as deep as the roots she tends and the cryptic Lightbringer bearer of truths that may shake the very foundation of reality Together they seek to cleanse lands tainted by encroaching malevolence while evading the clutches of sinister entities bent on enslaving all in their path But lurking in the shadows is Master Lucien Verhoeven once mentor now turned malevolent puppet master pulling strings alongside Lord Cedric Aethelstone a rival harboring ambitions as dark as his soul Even Seraphina Ombra Anya s childhood companion finds herself torn between loyalty and the allure of power As Anya succumbs to the seductive whispers of the Grimoire her descent into darkness threatens to eclipse all hope In

a final clash that will test her very humanity she must choose between embracing her inner demons to claim dominion over a ravaged world or sacrificing everything to preserve what little light remains Dive into an enthralling tale of forbidden magic and existential struggle in The Crimson Grimoire an electrifying 3 book series that plumbs the depths of redemption and damnation amidst a world teetering on oblivion The Knife Sharpener's Bell Rhea Tregebov,2011-07-01 Annette Gershon's odyssey from depression era Winnipeg to Stalinist Russia and back to Canada in the 1950s is both the seldom told story of those who actually made that hopeful doomed journey and a testament to the tenacity of the human spirit Ten year old Annette Gershon is content enough growing up in her father's delicatessen on Main Street Winnipeg but for immigrant families scratching out a living in the Dirty Thirties even subsistence is a delicate balance easily upset Everything changes when her parents decide to take the family home to the Soviet Union to escape the devastation of the collapsing capitalist economy Annette struggles to maintain her sense of who she is first adapting to her life in Stalinist Odessa then fleeing to Moscow ahead of the Nazi occupation But it is in the post war years that her identity and her very life are threatened by the anti-Semitism of Stalinism's final years The Knife Sharpener's Bell is the story of a girl who tried to stop a train but finds herself on the runaway train of historical events It is a story about loyalty and betrayal heroism and fear What is most memorable about it is the empathy we feel for these characters who must make their way through some of the twentieth century's most tumultuous events The writing is infused with a poet's sensitivities to rhythm image and linguistic energy yet it is also beautifully restrained each image and each gorgeous observation is there for a very particular reason the entire story hums with the tension that arises from the taut athletic language Ren: Brittany Quagan,2016-08-02 Seventeen year old Ren Nagel knows that the strange things she's seen are real even if no one else believes her But when she's locked up in a psychiatric hospital she loses hope that anyone will ever truly be on her side Then everything changes With the help of a new friend Ren breaks out It's when she's on the run that she learns who she really is Hunted by evil Ren must learn to control a power she never knew she had organize a coalition of people she never knew existed and remind humanity why fighting the darkness is a big part of being human Sometimes feeling different is much more than just a feeling For Ren it means the fate of the world Dark Matter: Contagion Teri Terry,2017-05-18 Don't miss this startling first book in a breathtaking new trilogy from Teri Terry queen of the teen psychological thriller and author of the bestselling Slated trilogy URGENT An epidemic is sweeping the country You are among the infected There is no cure and you cannot be permitted to infect others You are now under quarantine The very few of the infected who survive are dangerous and will be taken into the custody of the army Young runaway Callie survived the disease but not the so called treatment Her brother Kai is still looking for her And his new friend Shay may hold the key to uncovering what truly happened From the author of the international sensation Slated comes the first book in a powerful new story of survival and transformation love and power
