Strader, David A. Collins, Tim D. Noe, 2012-12-06 Youth have nearly always exhibited behaviors that frustrate adults It can be difficult to understand why young people engage in risky or destructive behavior and it is challenging to develop strategies to encourage more healthy and responsible behavior among our youth However it is helpful to realize that despite the fact that large numbers of youth engage in frightful and destructive behaviors for periods of time during adolescence and early adulthood a large proportion of youth find a way not only to survive but also to bounce back and contribute significantly to the furtherance of human development We are not the first generation of adults to experience the pain fear and frustration of dealing with our youth More important we recognize that we are not helpless when faced with the problems youth experience While it is true that adolescents have always exhibited problem behaviors a number of effective tools and approaches have always been at our disposal to assist with appropriate youth development Of course the most effective approaches require a tremendous amount of focused time and energy **DARE To Be You** Jan Miller-Heyl, David MacPhee, Janet J. Fritz, 2006-04-18 DARE To Be You

DTBY is a program that has both a conceptual foundation and is demonstrably effective in building assets linked to a decrease in problem behaviors. Its success is based on working not only with the individual child but also with multiple systems that affect the child. These systems include family, peers, school, and the broader community. The DTBY curricula is age appropriate and adapted to account for changing developmental needs. While this volume focuses on the DTBY program for families with 2 to 5 year old children, references are made to the programs for school aged children and teens. This program has proven effective in diverse settings including a Native American community, an urban setting of mixed cultures, a traditional Hispanic and Anglo rural community, and a poor isolated agricultural region. **Medical and Health Care**
