Tyrant Destroyer Of Cities:

Tyrant: Destroyer of Cities Christian Cameron, 2013-02-14 This novel in the scintillating Tyrant series brings the epic siege of Rhodes in 306 BC to spectacular life The death of Alexander the Great was the signal to begin the greatest war in human history a war that swept like a firestorm from one end of the known world to the other as his former generals fought like jackals to make his vast empire their own By 305 BC the most powerful players in this deadly game faced each other across the Mediterranean Ptolemy the master of Egypt and Antigonus One Eye master of Asia And between them the island of Rhodes a strategic fortress city that neither could afford to cede to the enemy But trapped in the city was one man with the courage and determination to save it from destruction A man who surrounded by his closest friends and the woman he loved simply could not afford to fail A man called Satyrus **Storming Heaven** Miles Cameron, 2023-07-20 Before iron helmets and steel swords when dragons roamed the world was an age of bronze and stone when the Gods walked the earth and people lived in terror A scribe a warlord a dancer a mute insect and a child should have no chance against the might of the bickering gods and their cruel games But the gods themselves are old addicted to their own games of power and now their fates may lie in the hands of mere mortals By divine plan a plague of cannibals has been unleashed across the world forming an armada which preys on all who cross their path Meanwhile the people who allied against the gods have been divided each taking their own path to attack the heavens if they can survive the tide of war which has been sent against them All they need is the right distraction and the right opportunity to deal a blow against the gods themselves An original visceral epic weaving together the mythologies of a dozen pantheons of gods and heroes to create something new and magical this tale of the revolt against the tyranny which began in Against All Gods is a must read from a master of the fantasy genre
