Tyrant King Of The Bosphorus:

Tyrant: King of the Bosphorus Christian Cameron,2011-02-03 In a world at war a brother and sister seek revenge Another drama drenched story in a truly epic historical series They were born in the middle of a battle into a world at war And from their first moments of life twins Satyrus and Melitta were fighting for survival Their father a Greek mercenary was cut down not long after they had taken their first breath their Scythian mother was cruelly murdered when they were still children But Satyrus and Melitta are children no more They have learned how to fight how to love how to plot and how to kill Now it is time to leave their adopted home the city of Alexandria and the protection of Alexander the Great s former general Ptolemy and seek revenge Now it is time to go to war

The Great King Christian Cameron,2014-01-02 The heroic story of Arimnestos of Plataea continues a thrilling historical adventure set amid the epic struggle between Greece and Persia perfect for fans of the blockbusting film 300 Slave pirate husband and lover Arimnestos of Plataea has been many things in the course of his life But men remember him best as one of the heroes of the Battle of Marathon the epic victory that prevented all of Greece from falling under the Persian yoke But now there is a new Great King on the throne determined to succeed where his father failed As rumours abound of a vast Persian invasion an embassy is sent to forestall the threat Arimnestos is chosen to escort them an honour he can hardly refuse But as the storm clouds of war gather and factions on both sides begin to weave their treacherous plots Arimnestos journey begins to look more and more like a suicide mission

Salamis Christian Cameron,2015-08-13 480 BC Arimnestos of Plataea has already lived through several lifetimes worth of adventure from being a rich man s slave in Ephesus to winning glory at the battle of Marathon against the might of the Persian Empire But the gods and the Persians aren t finished with him yet As an experienced sea captain his enemies might say pirate he has a part to play in the final epic confrontation of the Long War between the Greeks and Persians the Battle of Salamis It is a battle where many debts of blood will be repaid ancient grudges settled fame won and treachery exposed where the Greeks must finally bury their differences and fight as one for against them Xerxes the Great King has assembled the greatest fleet the world has ever known his sworn purpose to brutally extinguish the flame of freedom and make every Greek his slave

The Last Greek Christian Cameron,2020-04-16 Few writers are better at conjuring up a vision of Ancient Greece THE TIMES 210BCE The most powerful empires in the world brawl over the spoils of a declawed Greece Philopoemen has a vision to end the chaos and anarchy that consumes his homeland to stop the endless wars and preserve the world he loves He must resist the urge of the oligarchs to surrender to their oppressors and raise an army to defend his countrymen from the all conquering powers of Sparta Macedon and Rome It is the last roll of the dice for the Achean League The moment Philopoemen has been training for his whole life The new Achilles is poised to restore the glory of the former empire To herald a new era To become the last great hero of Greece Praise for Christian Cameron One of the finest writers of historical fiction in the world BEN KANE The master of historical fiction SUNDAY TIMES A storyteller at the height of his powers

HISTORICAL NOVEL SOCIETY The Ill-Made Knight Christian Cameron,2013-08-01 Brilliantly evoked SUNDAY TIMES Discover the first medieval adventure in the action packed Chivalry series Perfect for fans of Bernard Cornwell Simon Scarrow and Conn Iggulden September 1356 Poitiers The greatest knights of the age were ready to give battle On the English side Edward the Black Prince who d earned his spurs at Crecy On the French side the King and his son the Dauphin With 12 000 knights And then there is William Gold A cook s boy the lowest of the low who had once been branded as a thief William dreams of being a knight but in this savage new world of intrigue betrayal and greed first he must learn to survive As rapacious English mercenaries plunder a country already ravaged by plague and the peasantry take violent revenge against the French knights who have failed to protect them is chivalry any more than a boyish fantasy A sword slash above the rest IRISH EXAMINER One of the finest writers of historical fiction in the world BEN KANE **Storming Heaven** Miles Cameron,2023-07-20 Before iron helmets and steel swords when dragons roamed the world was an age of bronze and stone when the Gods walked the earth and people lived in terror A scribe a warlord a dancer a mute insect and a child should have no chance against the might of the bickering gods and their cruel games But the gods themselves are old addicted to their own games of power and now their fates may lie in the hands of mere mortals By divine plan a plague of cannibals has been unleashed across the world forming an armada which preys on all who cross their path Meanwhile the people who allied against the gods have been divided each taking their own path to attack the heavens if they can survive the tide of war which has been sent against them All they need is the right distraction and the right opportunity to deal a blow against the gods themselves An original visceral epic weaving together the mythologies of a dozen pantheons of gods and heroes to create something new and magical this tale of the revolt against the tyranny which began in Against All Gods is a must read from a master of the fantasy genre **Rage of Ares** Christian Cameron,2016-10-20 Arimnestos of Plataea was one of the heroes of the Battle of Marathon in which the heroic Greeks halted the invading Persians in their tracks and fought in the equally celebrated naval battle at Salamis But even these stunning victories only served to buy the Greeks time as the Persians gathered a new army returning with overwhelming force to strike the final killing blow For the Greeks divided and outnumbered there was only one possible strategy attack And so in the blazing summer of 479 BC Arimnestos took up his spear one final time at the Battle of Plataea The Green Count Christian Cameron,2017-07-13 One of the finest historical fiction writers in the world Ben Kane After the bloody trials of Alexandria Sir William Gold is readying for a pilgrimage to Jerusalem to ease the burden on his soul He hopes too that the Holy City might allow his relationship with Emile cousin of the Green Count of Savoy to develop But the Roman Emperor of Constantinople has been taken hostage by an unknown enemy and the Green Count is vital to the rescue effort It is up to Sir William to secure his support but he soon finds that his past and his relationship with Emile might have repercussions he had not foreseen Suddenly thrust onto the stage of international politics Sir William finds himself tangled in a web of plots intrigue and murder He must hold true to his chivalric principles

and to his knights if he is to save the Emperor and survive to tell the tale **Tom Swan and the Last Spartans: Part Three** Christian Cameron, 2017-03-09 The latest instalment of the Tom Swan adventures the fast paced serialised novel set in the turbulent Europe of the fifteenth century **Tom Swan and the Last Spartans: Part Two** Christian Cameron, 2016-03-17 Fifteenth century Europe Tom Swan is not a professional soldier He s really a merchant and a scholar looking for remnants of Ancient Greece and Rome temples graves pottery fabulous animals unicorn horns But he also has a real talent for ending up in the midst of violence when he didn t mean to Having used his wits to escape execution he begins a series of adventures that take him to street duels in Italy meetings with remarkable men from Leonardo Da Vinci to Vlad Dracula and from the intrigues of the War of the Roses to the fall of Constantinople
