## **U S Army Uniforms Of The Cold War:**

**U. S. Army Uniforms of the Cold War, 1948-1973** Shelby L. Stanton,1998 Talks about the evolution of Army uniforms from World War II to Vietnam This work traces uniform systems from conception through actual field development and issue

The US Army Christopher Anderson,2016-06-30 In the years since the end of the Cold War the U S Army has undergone some of the most dramatic changes in its history becoming a much smaller and more technologically advanced force than ever before The U S Army illustrates the uniforms weapons and equipment of the American soldier in this time of change

The United States Army George D. Bennett,2002 United States Army Issues Background Bibliography      **US Army Infantryman in Vietnam 1965-73** Gordon L. Rottman,2012-09-20 This book tells the compelling story of the average US infantryman in Vietnam Beginning with conscription enlistment Basic Training and Advanced Individual Training at the Armed Forces Induction Center at Fort Polk the infamous Tigerland it goes on to explore the day to day realities of service in Vietnam from routine tasks at the firebase to search and destroy missions rocket attacks and firefights in the field Weaponry clothing and equipment are all described and shown in detailed color plates A vivid picture of the unique culture and experiences of these soldiers emerges from their vernacular to the prospect of returning to an indifferent if not hostile homeland      *Vietnam War US & Allied Combat Equipments* Gordon L. Rottman,2017-01-26 Over the eight years of the Vietnam War US forces used three major types of equipment sets with numerous modifications for particular circumstances Different equipments were also used by Special Forces the South Vietnamese and other allied ground troops Vietnam War US Allied Combat Equipments offers a comprehensive examination of the gear that US and allied soldiers had strapped around their bodies what they contained and what those items were used for Fully illustrated with photographs and artwork detailing how each piece of equipment was used and written by a Special Forces veteran of the conflict this book will fascinate enthusiasts of military equipment and will be an ideal reference guide for re enactors modellers and collectors of Vietnam War memorabilia      **The United States Army** John C. Fredriksen,2010-03-11 This book offers a detailed timeline of the key events in the history of the U S Army from the American Revolutionary War to today s ongoing conflicts in Afghanistan and Iraq The United States Army A Chronology 1775 to the Present captures the full sweep of the U S Army s place in our nation s history Its series of concise yet highly informative entries cover all important events involving American ground troops both successes and failures in wartime and in peace from the American Revolutionary War to the present In a basic chronological format anchored to specific dates The United States Army reports on all significant military engagements major conflicts and isolated actions but goes well beyond the battlefield to include significant political and administrative changes affecting the military notable events in the careers of generals and soldiers significant military texts the foundation of noted schools of instruction and military minutiae such as pay scales and creation of a general staff Coverage also extends beyond the regular army to include auxiliaries from the colonial militias to today s National Guard Reserves Army Aviation

and Special Forces      *United States Army Grade Insignia Since 1776* ,      American Militarism and Anti-Militarism in Popular Media, 1945-1970 Lisa M. Munday, 2012-01-27 Scholars have characterized the early decades of the Cold War as an era of rising militarism in the United States but most Americans continued to identify themselves as fundamentally anti militaristic To them militaristic defined the authoritarian regimes of Germany and Japan that the nation had defeated in World War II aggressive power hungry countries in which the military possessed power outside civilian authority Much of the popular culture in the decades following World War II reflected and reinforced a more pacifist perception of America This study explores military images in television film and comic books from 1945 to 1970 to understand how popular culture made it possible for a public to embrace more militaristic national security policies yet continue to perceive themselves as deeply anti militaristic      American Military Heritage William W.
