Ufo Paul Whitehead,2011-09-01 Top UFO researchers Paul Whitehead and George Wingfield tell the story of UFOs from their first appearance in cave art the Bible through folklore and the emergence of science fiction to the extraordinary phenomenon as we know it today Travel Tales Monthly Michael Brein, Ph.D.,2014-11-20 Michael Brein s Travel Tales Monthly is a monthly bookazine release of simply incredible travel tales told 10 at a time Michael Brein aka The Travel Psychologist has made it his life s passion to interview now more than 1 750 world adventurers and travelers he has met throughout his world travels to more than 125 countries over the last four decades You wouldn t believe the incredible stories people have told me about their travels says Michael when he talks about the nearly 10 000 travel tales he has amassed over the years in this way Stories run the gamut of the good the wonderful and the magical as well as indeed the bad the horrible and the truly horrific These are simply stated great stories Stories are told mainly in the present tense by interviewees but sadly some are revealed about travelers who unfortunately did not live to tell their tales These have often been related by weary bleary eyed travelers who felt that these tales should also be told Into the pages of Travel Tales Monthly and then into the volumes of The Travel Psychologist Travel Tales Series ebooks will go the formerly untold tales of close calls dangers and great escapes the mystical spiritual and the paranormal meeting people making friends and incredible hospitality harassment by beggars hustlers and con artists of all kinds formidable characters met and phenomenal experiences had and much much more all in the form of about 200 ebooks covering all sorts of subjects countries and themes The intent of Travel Tales Monthly is to present collections of tales each month introducing you to the stories as they make their way into The Travel Psychologist Travel Tales Series in the form of completed standalone ebooks in the series The telling of travel stories by Michael Brein via his Travel Tales Monthly as well as his travel tales ebook series is travel storytelling par excellence but with one significant difference Michael Brein is the world s first and perhaps only travel psychologist Thus he tells the travel stories with a particular unique psychological bent there s a lot of travel psychology behind everyone s sharing of their experiences With deft and persistence Michael hones in on and ferrets out the usually heretofore unexplored and untold truly psychological netherworld that lurks just below the surface of most people s travel experiences bringing them into full view For instance what led up to a good or wonderful travel experience How can we experience more of same What was behind the horrific life threatening or pickpocketing experience that got you caught up in in that one horrendous moment Let s unravel bad experiences piece by piece to see how this might have been avoided in the first place Let s unfold wonderful travel experiences to see how these may be repeated What are some of the philosophical and life changing insights gained from mystical experiences in one s travels What s it like to experience your roots How does it feel to be the first white person that others have ever seen How does it feel like to be touched by a stranger What is real fear like On and on Michael Brein delves into travel experiences from the standpoint of what is interesting what is to be

learned and what is to be gained How can this be made to happen again Or NOT at all Michael Brein is sure that you will be mesmerized and captivated by the stories you read in his Travel Tales Monthly and in his Travel Psychologist Travel Tales Series In this Issue No 5 Nov 2014 The November issue features such tales as The Black Book Confessions of a Customs Officer and Confessions of a Stewardess whereby travelers get themselves into trouble by behaving and acting in ways that make them guilty of doing dubious things while traveling overseas It is difficult enough to stick to the straight and narrow back home But what are the consequences of acting and behaving illegally or immorally in a foreign land And in one of our featured stories for this month The Black Book our traveler toys dangerously with several U S Federal authorities and becomes her own worst enemy And even worse and unbelievably a Pan Am stewardess gets in over her head by daring to become the mistress of the president of an Asian country How sensible or dangerous is that Acting in ways contrary to good common sense we have in this month s issue a number of travelers who dare to taunt fate in the face of possible dangerous and disastrous consequences And finally you will also see some aspects of travel that you yourself may not ever have even considered before And once again you will certainly experience vicariously those odd vagaries of travel life that can await you and can suddenly appear just around the corner at just about any turn along the way Winding up this month s issue is George Wingfield our guest contributor for this month who describes the hilarious antics of some very odd touring clients he has worked with in the U K
