Uganda Enchantment Of The World Second:

Uganda Robert Barlas,Jui Lin Yong,2010 This book provides comprehensive information on the geography history wildlife governmental structure economy cultural diversity peoples religion and culture of Uganda All books of the critically acclaimed Cultures of the World R series ensure an immersive experience by offering vibrant photographs with descriptive nonfiction narratives and interactive activities such as creating an authentic traditional dish from an easy to follow recipe Copious maps and detailed timelines present the past and present of the country while exploration of the art and architecture help your readers to understand why diversity is the spice of Life **The Greenwood Encyclopedia of Children's Issues Worldwide** Irving Epstein,2007-12-30 From the skyrocketing AIDS rate in Haiti to the oppressive pollution in industrial China from the violent street culture of Nigeria to the crippling poverty in Nicaragua from child trafficking in Thailand to child marriages in India this jam packed six volume set explores all these issues and more in an unprecedented look at the world s children at the dawn of the 21st century In recent years while many countries have enjoyed a higher standard of living and improved working conditions others have been torn apart by war and incapacitated by famine and are struggling to improve life for their children and their future Recent concern over the world s children has resulted in a global attempt to define what constitutes an acceptable childhood New attention has been paid not only to healthcare and secondary education but also to the right to play and increased access to technology The UN s codification of children s rights has done much to expand our understanding of what is needed for healthy growth and development of children and youth Organized by region The Greenwood Encyclopedia of Children s Issues Worldwide is the first globally focused set of this magnitude offering extensive up to date coverage of these critical issues Original chapters accessibly synthesize current data on key topics including education play and recreation child labor family health laws and legal status religious life abuse and neglect and growing up in the 21st century **Junior High School Library Catalog** ,1997 Childrens' Catalog H.W. Wilson Company,1996 The 1st ed includes an index to v 28 36 of St Nicholas Children's Books in Print R R Bowker Publishing,Bowker,1999-12 **African Literacies and Western Oralities?** William A. Coppedge,2021-11-03 How do twenty first century Christians communicate the Bible and their faith in today s mediascape Members of the International Orality Network ION believe that the answer to that paramount question is orality For too long they argue presentations of Christianity have operated on a printed literate register hindering many from receiving and growing in the Christian faith Instead they champion the spoken word and narrative presentations of the gospel message In light of the church s shift to the Global South how have such communication approaches been received by majority world Christians This book explores the responses and reactions of local Ugandan Christians to this oral renaissance The investigation grounded in ethnographic research uncovers the complex relationships between local and international culture brokers all of whom are seeking to establish particular modern identities The research conclusions challenge static Western categorizations and point towards

an integrated understanding of communication that appreciates the role of materiality and embodiment in a broader religious socioeconomic discourse as well as taking into account societal anticipations of a flourishing modern African Church This book promises to stimulate dialogue for those concerned about the communication complexities that are facing the global church in the twenty first century **American Book Publishing Record** ,2003 **God and Enchantment of Place** David Brown,2004-10-15 David Brown argues for the importance of experience of God as mediated through place in all its variety He explores the various ways in which such experiences once formed an essential element in making religion integral to human life and argues for their reinstatement at the centre of theological discussions about the existence of God In effect the discussion continues the theme of Brown s two much praised earlier volumes Tradition and Imagination and Discipleship and Imagination in its advocacy of the need for Christian theology to take much more seriously its relationship with the various wider cultures in which it has been set In its challenge to conventional philosophy of religion the book will be of interest to theologians and philosophers and also to historians of art and culture generally **Routledge Companion to Christianity in Africa** Elias Kifon Bongmba,2015-12-22 The Routledge Companion to Christianity in Africa offers a multi disciplinary analysis of the Christian tradition across the African continent and throughout a long historical span The volume offers historical and thematic essays tracing the introduction of Christianity in Africa as well as its growth developments and effects including the lived experience of African Christians Individual chapters address the themes of Christianity and gender the development of African initiated churches the growth of Pentecostalism and the influence of Christianity on issues of sexuality music and public health This comprehensive volume will serve as a valuable overview and reference work for students and researchers worldwide Children's Books in Print, 2007 ,2006
