Wellerisms Pickwick Humphreys Classic Reprint:

Wellerisms From Pickwick Master Humphrey's Clock (Classic Reprint) Charles Dickens, 2015-08-08 Excerpt from Wellerisms From Pickwick Master Humphrey's Clock So little was the success of Pickwick foreseen even by its publishers that no more than 400 copies of each of the earlier numbers were prepared for issue by being stitched in the green covers Yet long before the work was brought to its conclusion not 400 merely but more than copies of it had rapidly passed into circulation What swung it into that astonishing success was the appearance in its fourth number of Sam Weller The comic of Sam carried everything before it Everyone recognised at once in him one of the supreme achievements in imaginative literature From his first utterance when he was introduced as Boots at the White Hart in the Borough he was seen to be not only a master of chaff and slang but the very incarnation as might be said of the mother wit of the streets of London Of all the many bright and hilarious characters created by Dickens Sam proved to the last incomparably the most gay and voluble His irrepressible vivacity made him from the outset everybody's favourite In that epic of drollery so pre eminent was he as a source of inextinguishable laughter that when Moncrieff came to dramatise Pickwick the title selected by him for the play almost as a matter of course was Sam Weller or the Pickwickians Sam won for him self without an effort universal acceptance as one to use Forster's phrase whom nobody had ever seen but everybody recognized at once perfectly natural and intensely original Sam Weller was to Mr Pickwick what Sancho Panza was to Don Quixote an attendant who by the sheer force of contrast perfected the fun and intensified the absurdity of the ludicrous Situations into which the hero of the narrative was perpetually blundering About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Literature Henry Duff Traill, John Kendrick Bangs, 1897 **Literature**, 1897 *Literature*, 1974 **The Publishers Weekly**, 1926 **Book Dealers' Weekly**, 1925 **The English Catalogue of Books**, 1896 **West Ham Library Notes** West Ham Public Libraries (London, England), 1903 **The Book Buyer**, 1887 *The English Catalogue of Books [annual]*, 1892 Vols for 1898 1968 include a directory of publishers **Pickwickian Manners and Customs** Percy Fitzgerald, 2019-12-17 In Pickwickian Manners and Customs Percy Fitzgerald offers a fascinating exploration of Victorian society through the lens of Charles Dickens's beloved characters from The Pickwick Papers Employing a blend of sharp wit and scholarly observation Fitzgerald meticulously examines the social habits customs and eccentricities that define the eras depicted in the narrative Rooted in the rich tapestry of 19th century English life this work presents a vivid tableau of manners capturing both the humor and the

profound implications of social behavior during the time Fitzgerald's literary style is characterized by its accessibility yet it retains a critical edge that invites deeper reflection on the complexities of human interactions and societal norms. Percy Fitzgerald, an accomplished author and biographer, possessed a keen insight into the nuances of Victorian culture, having been immersed in its social circles. His familiarity with both literature and the historical context of the period equips him to uncover the subtleties interwoven within Dickens's work. This profound understanding of the era's dynamics undoubtedly influenced Fitzgerald's desire to elucidate the rich cultural commentary embedded in the familiar antics of the Pickwick Club. For readers intrigued by the interplay of literature and social commentary, Fitzgerald's *Pickwickian Manners and Customs* is an invaluable resource that splendidly enriches the understanding of Dickens's oeuvre. It serves not only as a companion piece to *The Pickwick Papers* but also as a standalone study of the whimsical and often ironic portrayal of social mores. This book is a must-read for anyone seeking to delve into the intricate dance of folly and decorum that characterizes the human experience.

Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries, 1979 Dictionary Catalog of the William Andrews Clark Memorial Library William Andrews Clark Memorial Library, 1974 **"The" English Catalogue of Books** , The English Catalogue of Books [annual] , 1896 Vols for 1898-1968 include a directory of publishers Wellerisms from "Pickwick," and "Master Humphrey's Clock." Charles Dickens, 1894
