The Highland Furies Victoria Schofield, 2014-12-09 As the oldest of the Highland Regiments The Black Watch has an enviable roster of Battle Honors and a mystique born of repeated service on behalf of King Queen and country On the strength of her acclaimed biography of Field Marshal Earl Wavell the regimental trustees commissioned Victoria Schofield to write this the first volume of her magisterial history of The Black Watch and have fully cooperated with her as she traces the story of the Regiment from its early 18th century beginnings through to the eve of the South African War at the end of the 19th century Originating as companies of highland men raised to keep a watch over the Highlands of Scotland they were formed into a regiment in 1739 Its soldiers would go on to fight with extraordinary bravery and élan in almost every major engagement fought by the British Army during this period from the American War of Independence the Peninsular Wars Waterloo the Crimea Indian Mutiny to Egypt and the Sudan Drawing on diaries letters and memoirs Victoria Schofield skillfully weaves the multiple strands of this story into an epic narrative of a valiant body of officers and men over one and a half centuries In her sure hands the story of The Black Watch is no arid recitation of campaigns dates and battle honors but is instead a rich and compelling record of the soldier's experience under fire and on campaign It is also a celebration of the

deeds of a regiment that has played a unique role in British history and a vivid insight into the lives of the many remarkable figures who have marched and fought so proudly under its Colors It is supported by more than 170 pages of appendices bibliography maps and notes as well as a brilliant array of illustrations Military History Monthly **From Fighting Napoleon to the Scottish Military Academy** Rosslyn Macphail,2024-12-30 Based on Captain John Orr s previously unseen campaign diary and personal documents this is the first biography of the man who would become Superintendent of the Scottish Naval Military Academy SNMA We follow John during his eighteen months in Portugal and Spain informed by his first hand accounts of the Battle of Salamanca the siege of Burgos and fighting in the Pyrenees Later he fought at Quatre Bras and was wounded at Waterloo He was retired on full pension in 1821 Ten years later aged 41 resigning himself that he would no longer be commissioned into a regiment he enrolled as a captain in the Edinburgh Militia Almost immediately he was asked to become the Superintendent of the Scottish Naval Military Academy which was situated in Edinburgh It had been established six years earlier and was struggling after the Directors had made a number of bad decisions John s appointment stabilised the SNMA and the enrolment started to grow He had enthusiasm for his job and managed to mix discipline with affection for the boys In 1832 the Duke of Wellington became President By the mid 1840s it had become a successful military college It sent over a thousand young men into the services including over a hundred who fought in the Crimean War Nearly every British army regiment had at least one officer who had studied at the SNMA Through John s letters the history of the Academy is interwoven with a description of the Orr family John died in 1879 aged 89 years old He was the last surviving member of the Black Watch who had fought at Waterloo The book is brought to life with paintings and photographs of John his family his uniform and pages from his Peninsular War diary It is an intimate portrait of a soldier who served his country on and off the battle field *Conquer or Die!* Ben Hughes,2011-04-19 The true Boy s Own adventure of the British volunteers who survived shipwreck duels mutinies wild animals and malaria to fight with Simon Bolivar 1815 21 In the aftermath of Waterloo over 6 000 British volunteers sailed across the Atlantic to aid Simon Bolivar in his liberation of Gran Columbia from her oppressors in Madrid The expeditions were plagued with disaster from the start one ship sank shortly after leaving Portsmouth with the loss of almost 200 lives Those who reached the New World faced disease wild animals mutiny and desertion Conditions on campaign were appalling massacres were commonplace rations crude pay infrequent and supplies insufficient Nevertheless those who endured made key contributions to Bolivar s success

Napoleon Victorious! Peter G Tsouras,2017-09-30 It is June 1815 and an Anglo led Allied army under the Duke of Wellington s command and Gebhard Leberecht von Bl cher is set to face Napoleon Bonaparte near Waterloo in present day Belgium What happens next is well known to any student of history the two armies of the Seventh Coalition defeated Bonaparte in a battle that resulted in the end of his reign and of the First French Empire But the outcome could have been very different as Peter Tsouras demonstrates in this thought provoking and highly readable alternate history of the fateful

battle By introducing minor but realistic adjustments Tsouras presents a scenario in which the course of the battle runs quite differently which in turn sets in motion new and unexpected possibilities Cleverly conceived and expertly executed this is alternate history at its best **Downing Street Blues** Jonathan Davidson, M.D.,2014-01-10 Presenting an account of mental illness in British prime ministers from Sir Robert Walpole generally regarded as the first to hold the position to Tony Blair this book reveals how depression anxiety dementia and alcohol or drug use disorders have impacted British leaders over three centuries It begins with an introduction explaining the principles of diagnosis the methods used to assess subjects and the assignment of confidence levels in each diagnosis and the overall significance of mental disorder in political leaders Individual assessments then follow for each of Britain s 51 prime ministers revealing how evidence for psychiatric problems was found in over 70% of cases and how the prevalence of mental disorders remained relatively constant throughout the 18th 19th and 20th centuries **The Book Review Digest** ,2003 **Internationale Bibliographie der Rezensionen**
