and to go to school They gathered on station platforms to await their mail or greet a long lost relative Holidaymakers packed their trunks and headed north for an extended summer day at their favorite resorts Today these are but a distant memory as most of Ontario's once essential transportation links lie abandoned and largely forgotten But perhaps not entirely many rights of way have become rail trails and now witness hikers cyclists equestrians and snowmobilers Others sadly lie overgrown and barely visible Yet regardless of how one follows these early routes one will find preserved stations historic bridges and railway era buildings all of which recall this bygone era      **Ayer Directory of Publications** ,1982      Canada
