But when a story of hungry children fills her with unbearable guilt she decided to make a change to the way her family approached mealtime

Despite finicky kids and a skeptical husband Pilgrim turned her feelings of guilt into action and created a zero food waste kitchen

Pilgrim began her journey by defining food waste with Rule 1 the Hungry Kid Test

If the answer is yes it can go in the compost

If the answer is no then it's time to get creative

Narrating her trials and errors emphasis on errors

Pilgrim invites readers to her table where leftover food is a personal challenge to reduce waste save money and guard against squandering natural resources

Things get tricky when she discovers a five year old fish in her freezer

Addressing myths about how being waste free is too hard it's not and whether expiration dates mean anything they don't

Pilgrim teaches readers clever ways to be resourceful while also offering a broader look at why food waste matters and the global effects of this massive problem
