Why We Believe Ivery White, 2012-05-08. Pastor White has gone to great lengths to uncover biblical, historical, and scientific information that is guaranteed to give Kingdom confidence to all readers. Whether you're a new believer who has just come into a relationship with Jesus or a seasoned saint who is looking for a tool to sharpened their soul-winning skills, *Why We Believe* What Every Christian Should Know is the right book for you. In these pages, you will uncover the fundamental points of learning how to defend your faith in Jesus the Christ. As an Ambassador of Christ, need to know how to defend their faith towards unbelievers and other believers without getting into an intense argument. Pastor White takes you step by step into theoretical and scientific proof about the life, death, and resurrection of Jesus. He explains how the Old Testament Scriptures point to the coming of the Messiah. The confirmation of Jesus the Christ coming on the scene through 42 generations was not a coincident or some mishap as some would like you to believe. Pastor

White supports his information with Scriptures and historical proof to explain that Jesus is truly God and man. Many untruths have been amalgamated about the resurrection of Jesus and this has been a source of division among people of many nations today. The truth of the matter is that God takes the foolish things of the world to confound the wise. You are not going to understand everything about God, his Son Jesus, or the power behind the resurrection. As you study the Scriptures and this book, understanding will develop on a continual to show us why mankind needed a human Savior, Jesus. His death and above all His resurrection. Pastor White is equipping the saints for such a time as this to defend their faith so they will not be unlearned concerning God's Holy Word, which will be becoming double minded in their belief system that their faith fail them, not and to have sufficient Scriptural evidence to stand against the wiles of the devil. *Statement of Faith* James E. Maloney Ph.D., 2019-03-08. WHAT DO YOU BELIEVE AND WHY. First Peter 3:15 admonishes us to always be ready to give a defense to everyone who asks you a reason for the hope that is in you. In obedience to this scripture, James Maloney culled a statement of faith from nearly fifty years of theological study with the scriptural proofs that justify these tenets of faith. With the conversational tone that has become the hallmark of his books, James succinctly outlines what the born again Spirit filled Christian should believe and why they should believe it. Second Thessalonians 2 warns against strong delusion and unrighteous deception. This book can help you make a decision when confronted with a doctrine that just doesn't seem right by placing a wealth of scripture at your fingertips, making it simple to share and defend your faith with others in gentleness and reverence.

Lessons in the Small Catechism of Dr. Martin Luther Martin Luther, George Mezger, 2022-06-02. In *Lessons in the Small Catechism of Dr. Martin Luther*, the anthology presents a deep dive into the theological and pedagogical insights of one of Protestantism's foundational figures. The collection navigates the intricacies of Christian doctrine as distilled in Luther's Small Catechism, opening layers of interpretation through diverse literary styles ranging from exegetical commentary to poetic reflection. The anthology's remarkable divergence yet cohesive thematic focus draws readers into a broad yet unified exploration of faith, education, and devotion. Standout pieces challenge conventional readings, providing new insights without losing the reverence and authority Luther's work commands. The anthology's contributors prominently featuring pieces by Martin Luther himself and George Mezger offer a rich tapestry of interpretations that underscore the historical and cultural contexts of Reformation theology. The intersection of Luther's doctrinal clarity and Mezger's interpretative expansions reveal a dialogue that captures a pivotal moment in religious history. Collectively, the voices within this volume highlight the catechism's role in shaping Protestant educational and liturgical practices. Their contributions not only accentuate the ongoing relevance of Reformation thought but also invite theological inquiry and reflection. This collection serves as an invaluable resource for readers seeking a nuanced understanding of Lutheran doctrine and its theological heritage. It presents a multi-dimensional platform for engaging with the spiritual, educational, and interpretive traditions stemming from one of Christianity's pivotal epochs. Scholars, theologians, and readers interested in the crossroads

of history and faith will find Lessons in the Small Catechism of Dr Martin Luther an indispensable volume that deepens one's appreciation for the complexities and synergies within Lutheran catechetical instruction fostering a vibrant dialogue across time and belief **Occasional Sermons and Addresses of Dr. C.F.W.
